PIONEERING IN

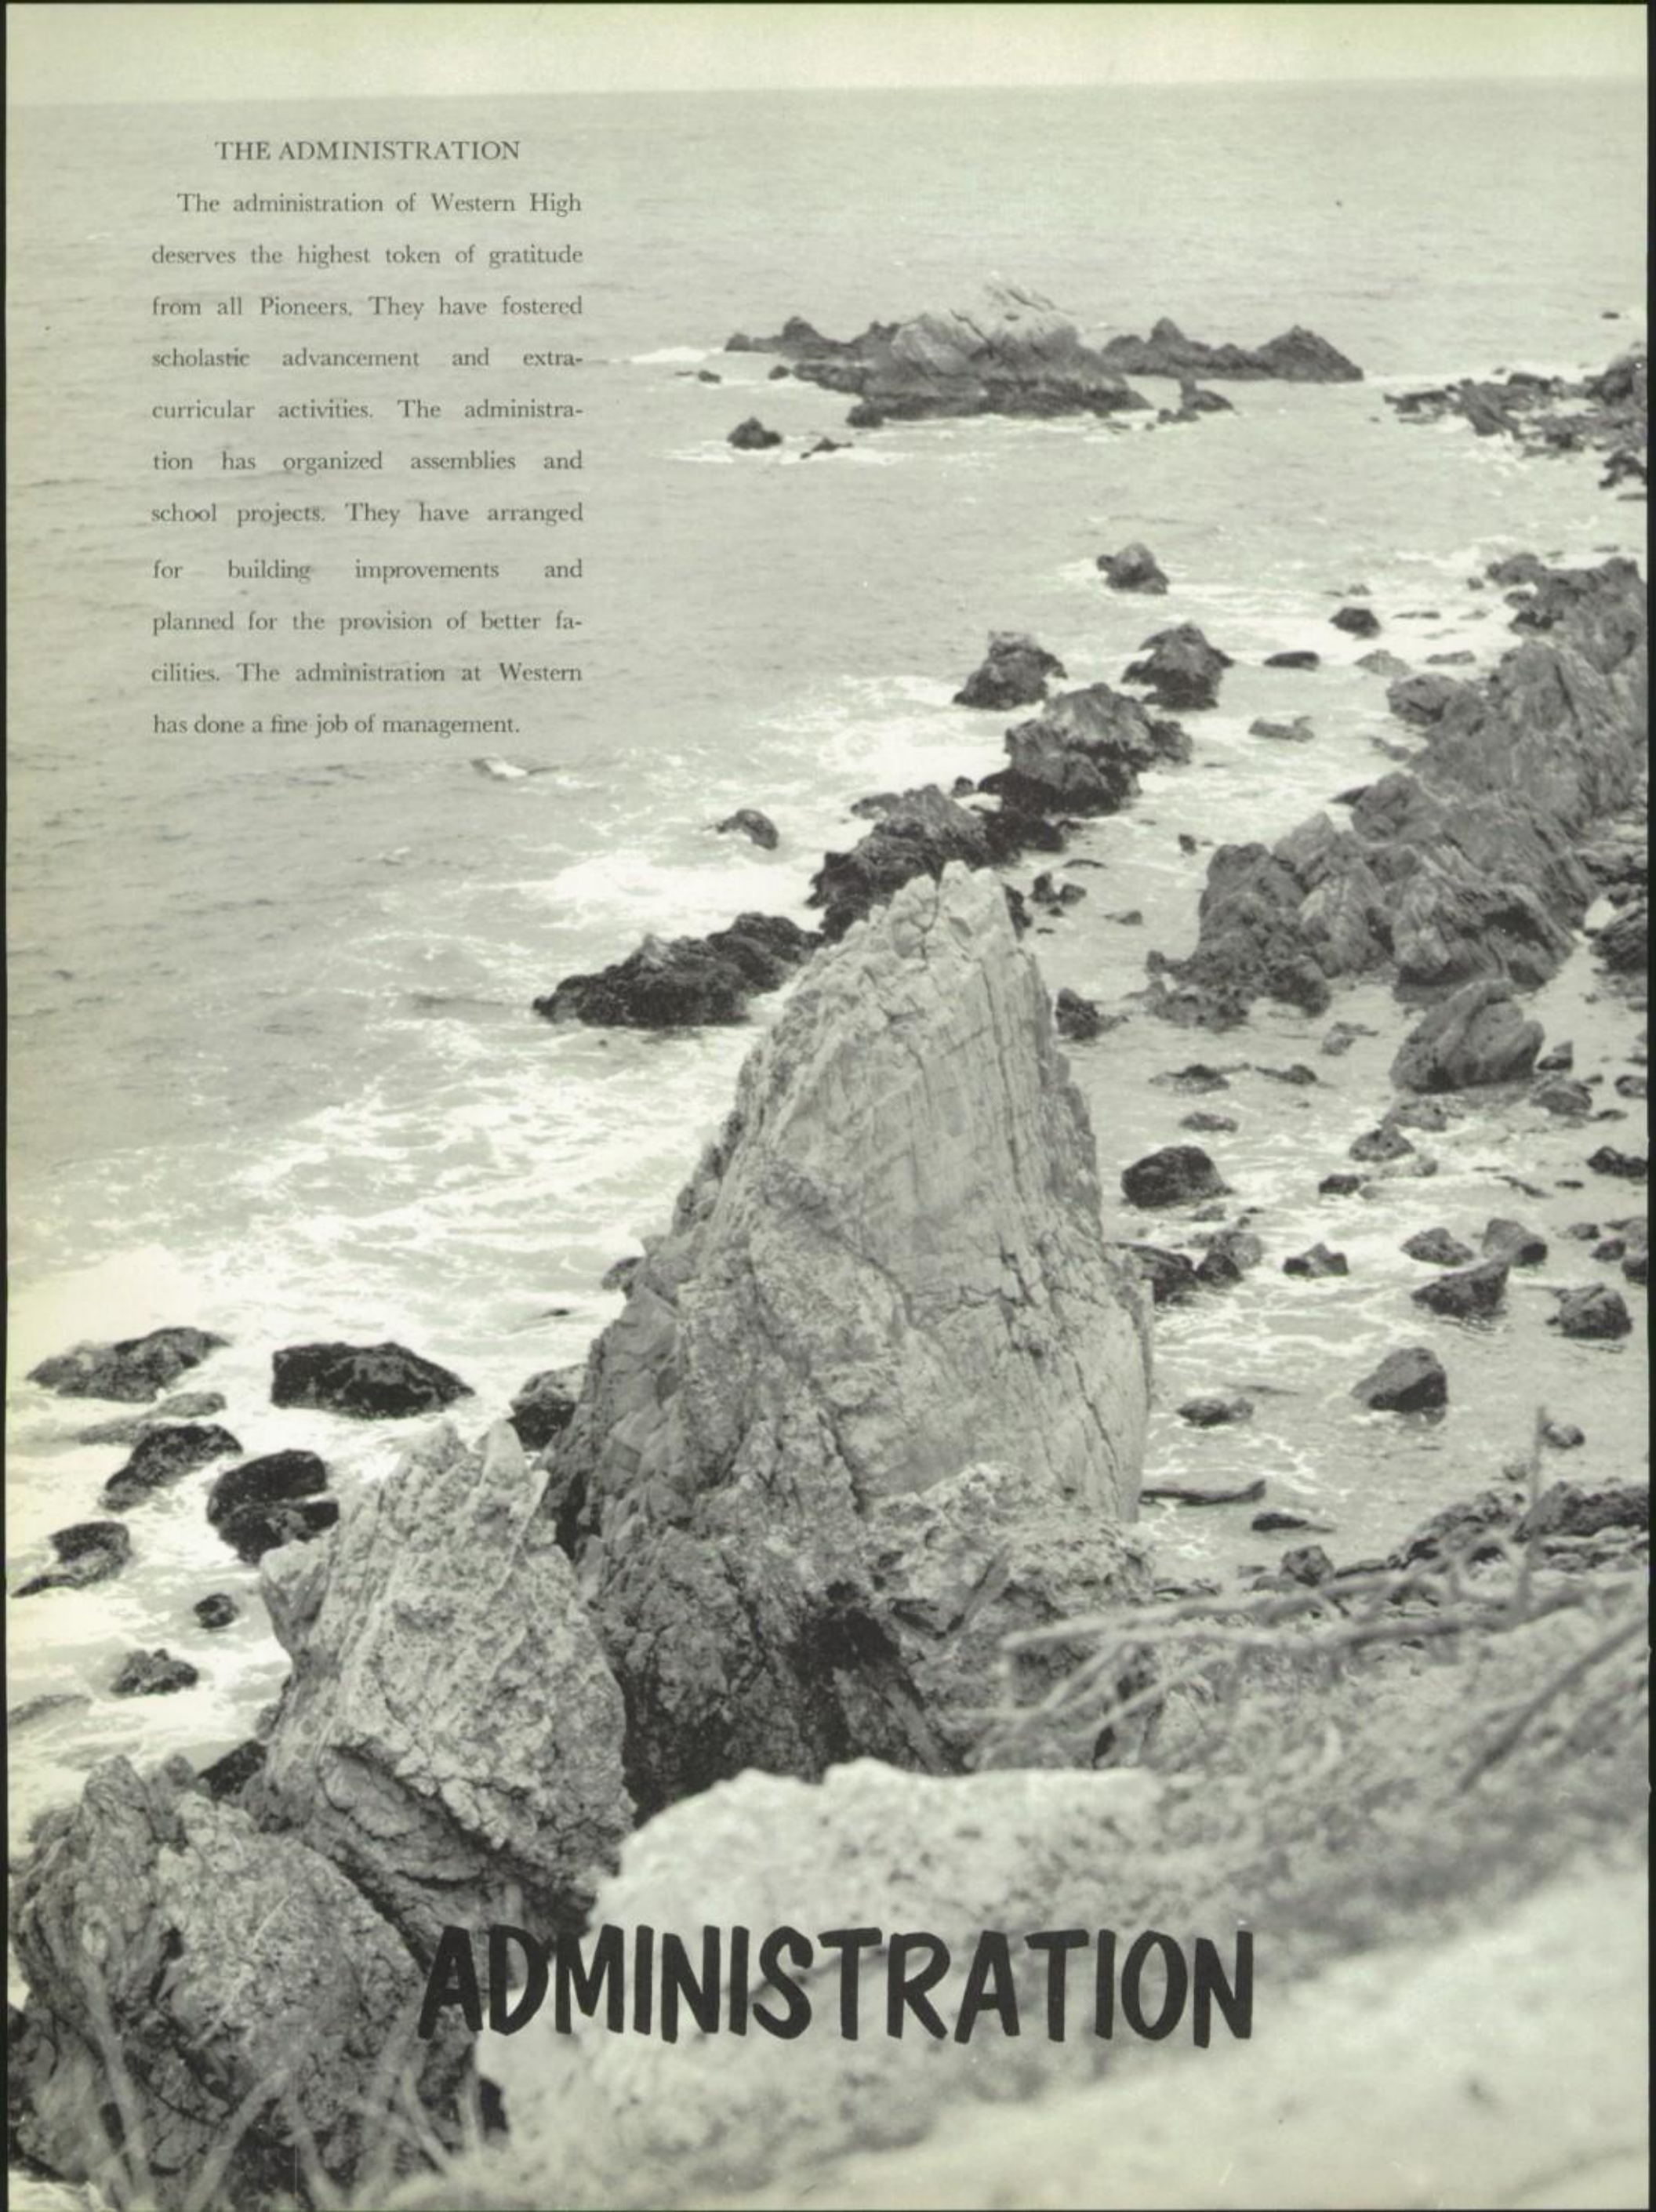
"It is a profound mistake to think that everything has been discovered; as well think the horizon the boundary of the world."

Lemierre

As the early pioneers moved westward to the shoreline of California, so does this year's pioneer annual, lured by the islands of the South Seas, move forward — to bring to Western Pioneers the panorama of the year past.

To the seniors who have contributed so much to the Pioneer spirit of Western, the annual staff pays special tribute, knowing these same seniors will continue to give, wherever their futures direct them, the inspiration and Pioneer spirit with which they have so well served Western.

ADVENTURE



THE ADMINISTRATION

The administration of Western High deserves the highest token of gratitude from all Pioneers. They have fostered scholastic advancement and extra-curricular activities. The administration has organized assemblies and school projects. They have arranged for building improvements and planned for the provision of better facilities. The administration at Western has done a fine job of management.

ADMINISTRATION

Board Faces Problems of Growth

Board of Trustees Meet in District Board Room

Board of Trustees discusses one of the many issues that comes before the members. From left are Dr. L. Kenneth Heuler, Mr. Donald R. Langson, Mr. Raymond B. Terry, President of the board, Mr. Ben H. Shroeder, and Mr. Royal Marten.

Concerned with the needs of a large and continually expanding district, the Board of Trustees has given maximum consideration to its increasing problems. The Board members have helped Western through some very adjusting years. We are most appreciative of their management of the Anaheim Union High School District and particularly, Western High School.

Administrators Successfully

MR. PAUL W. COOK

Superintendent of Anaheim Union High School District

Mr. Cook has many responsibilities as the District Superintendent. He has aided Western in surmounting the many obstacles that have arisen during the years in which he has been Superintendent. He has earned the admiration and respect of the students, faculty, administration and Board of Trustees.

Meet Many Challenges

MR. CHESTER R. SHIRK
Principal

Mr. Shirk has provided leadership for fulfilling our needs and has provided the answers to many of the problems which Western has faced. His door is always open to students who wish to see him. His work as Western's Principal is very much appreciated by other administrators, faculty, staff, and students.

Administrators Work Closely

MR. JOHN F. McGREW

Tireless in his efforts to achieve scholastic goals and maintain orderly conduct, Mr. McGrew has won the friendship and respect of all Pioneers.

The Vice Principals, Mr. John McGrew and Mrs. Elizabeth Arnold, have done a commendable job of handling school activities and counseling with Pioneers.

They assisted in athletic programs, curriculum development, and other scholastic programs. Also, they have aided problem students to attain success while maintaining an excellent standing in society. They helped those students who had special personal problems.

They deserve our admiration and thanks for the outstanding work they have done in the management at Western.

MRS. ELIZABETH ARNOLD

Mrs. Arnold assists in the planning of class schedules and curriculum development. She is highly respected for her devotion to her duties as the Girls' Vice Principal.

With Pioneer Students

MR. GLEN DYSINGER

Mr. Dysinger directs the operation of an efficient attendance office. Many students admire him for the wisdom he expresses in his work.

Both Mr. Bloecker and Mr. Dysinger work closely with the Pioneers. Mr. Bloecker handles the activity programs and, under his direction, we have had many outstanding activities which include, among others, dances, assemblies and pep rallies. Mr. Dysinger directs the work of the attendance office. He encourages the attendance of all students through a very effective and helpful approach.

MR. ROBERT BLOECKER

Mr. Bloecker is the director of student activities. He is respected for his leadership of extra-curricular activities. He has advised in the programing of events, assemblies, and other Pioneer activities.

COUNSELORS GUIDE STUDENTS

Mr. Wilkoff
Head Counselor

The counseling system at Western is outstanding. It has provided many beneficial counseling activities throughout the year.

When the students have needed advice, personal or educational, they have had someone to whom they many turn. Under the supervision of Mr. Wilkoff, head of the counseling staff, our counselors have shown their eagerness to help, and willingness to understand the problems of their students.

Their advice and guidance have been fully appreciated by the students at Western High this year.

STUDENT GOVERNMENT

STUDENT LEADERS

DON HORN, President of the Associated Student Body, has more than fulfilled the many duties for which he bargained when he submitted his name as a candidate for Western's highest student office. Don not only presided over student activities, assemblies, and the three hourly Student Council meetings every week, but he was an active participant in the American Field Service committee as Western's first American exchange student to the Netherlands in the summer of 1960. Don was chosen as Boys' State Representative, lettered in varsity swimming, and was a participant in the National Forensic League. All of these activities are a tribute to his outstanding leadership abilities. Pioneers who have had the pleasure of personally knowing Don will always remember the spark of enthusiasm he put into so many students' lives during the 1960-61 school year.

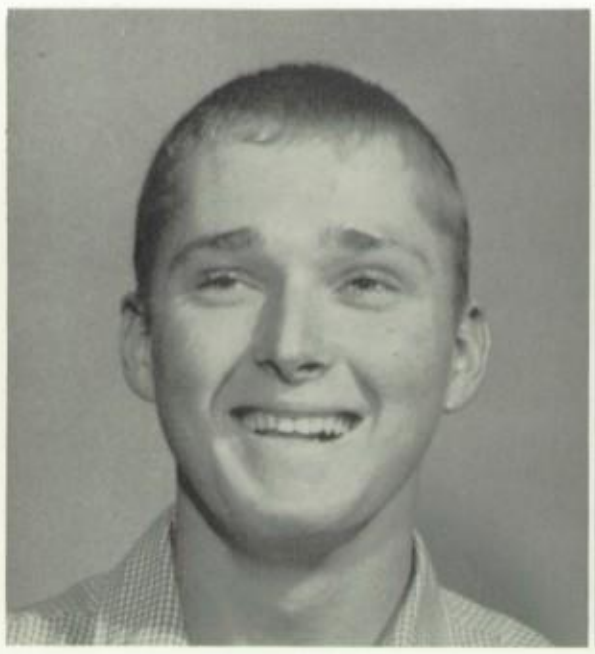
GUIDE PIONEERS

LES DELONG, ABS Vice-President, capably executed his duties as an active Council member and as president of the Student and Senior Congresses. Les was also a member of Western's first winning debate team and has shown his academic progress by his membership in the California Scholarship Federation.

CATHY COULSON, ABS Secretary, successfully carried out her time-consuming duties of publishing the minutes of the thrice-weekly meetings, handling the student body correspondence, and the other responsibilities of a secretary. Cathy also served as program director for the A Cappella choir, was a member of CSF, and was chosen as Western's Girls' States Representative.

SHARON UMINO, ABS Treasurer, calmly carried out the sometimes arduous tasks of balancing the budget and keeping the financial records for over thirty-five student organizations. Sharon was student chairman for the very successful model United Nations held at Whittier College in the fall, and was an active member of the California Scholarship Federation.

COUNCIL GOVERNS



Fred Stellhorn
Boys' League President

Joanne Pettebone
Girls' League President

The 1960-61 Student Council of Western High School is composed of the thirteen elected student body officers and the three class presidents. The Council has met three mornings a week before school since their inauguration last May 18. The responsibilities of the Council have been to define jurisdiction over certain areas of student activities, to act as an advisor to other school organizations, to have maximum control over the Student Association funds, to conduct projects for the betterment of

the school as a whole and, last but not least, to speak for the body of students. Not only has the Council worked hard to uphold the traditions established by the first graduating class, but it had inaugurated many "firsts." The student patio has neared completion and the traditions of Homecoming have been established. These are just a few of the many projects started by the Student Council, the executive branch of Western High School's student government.

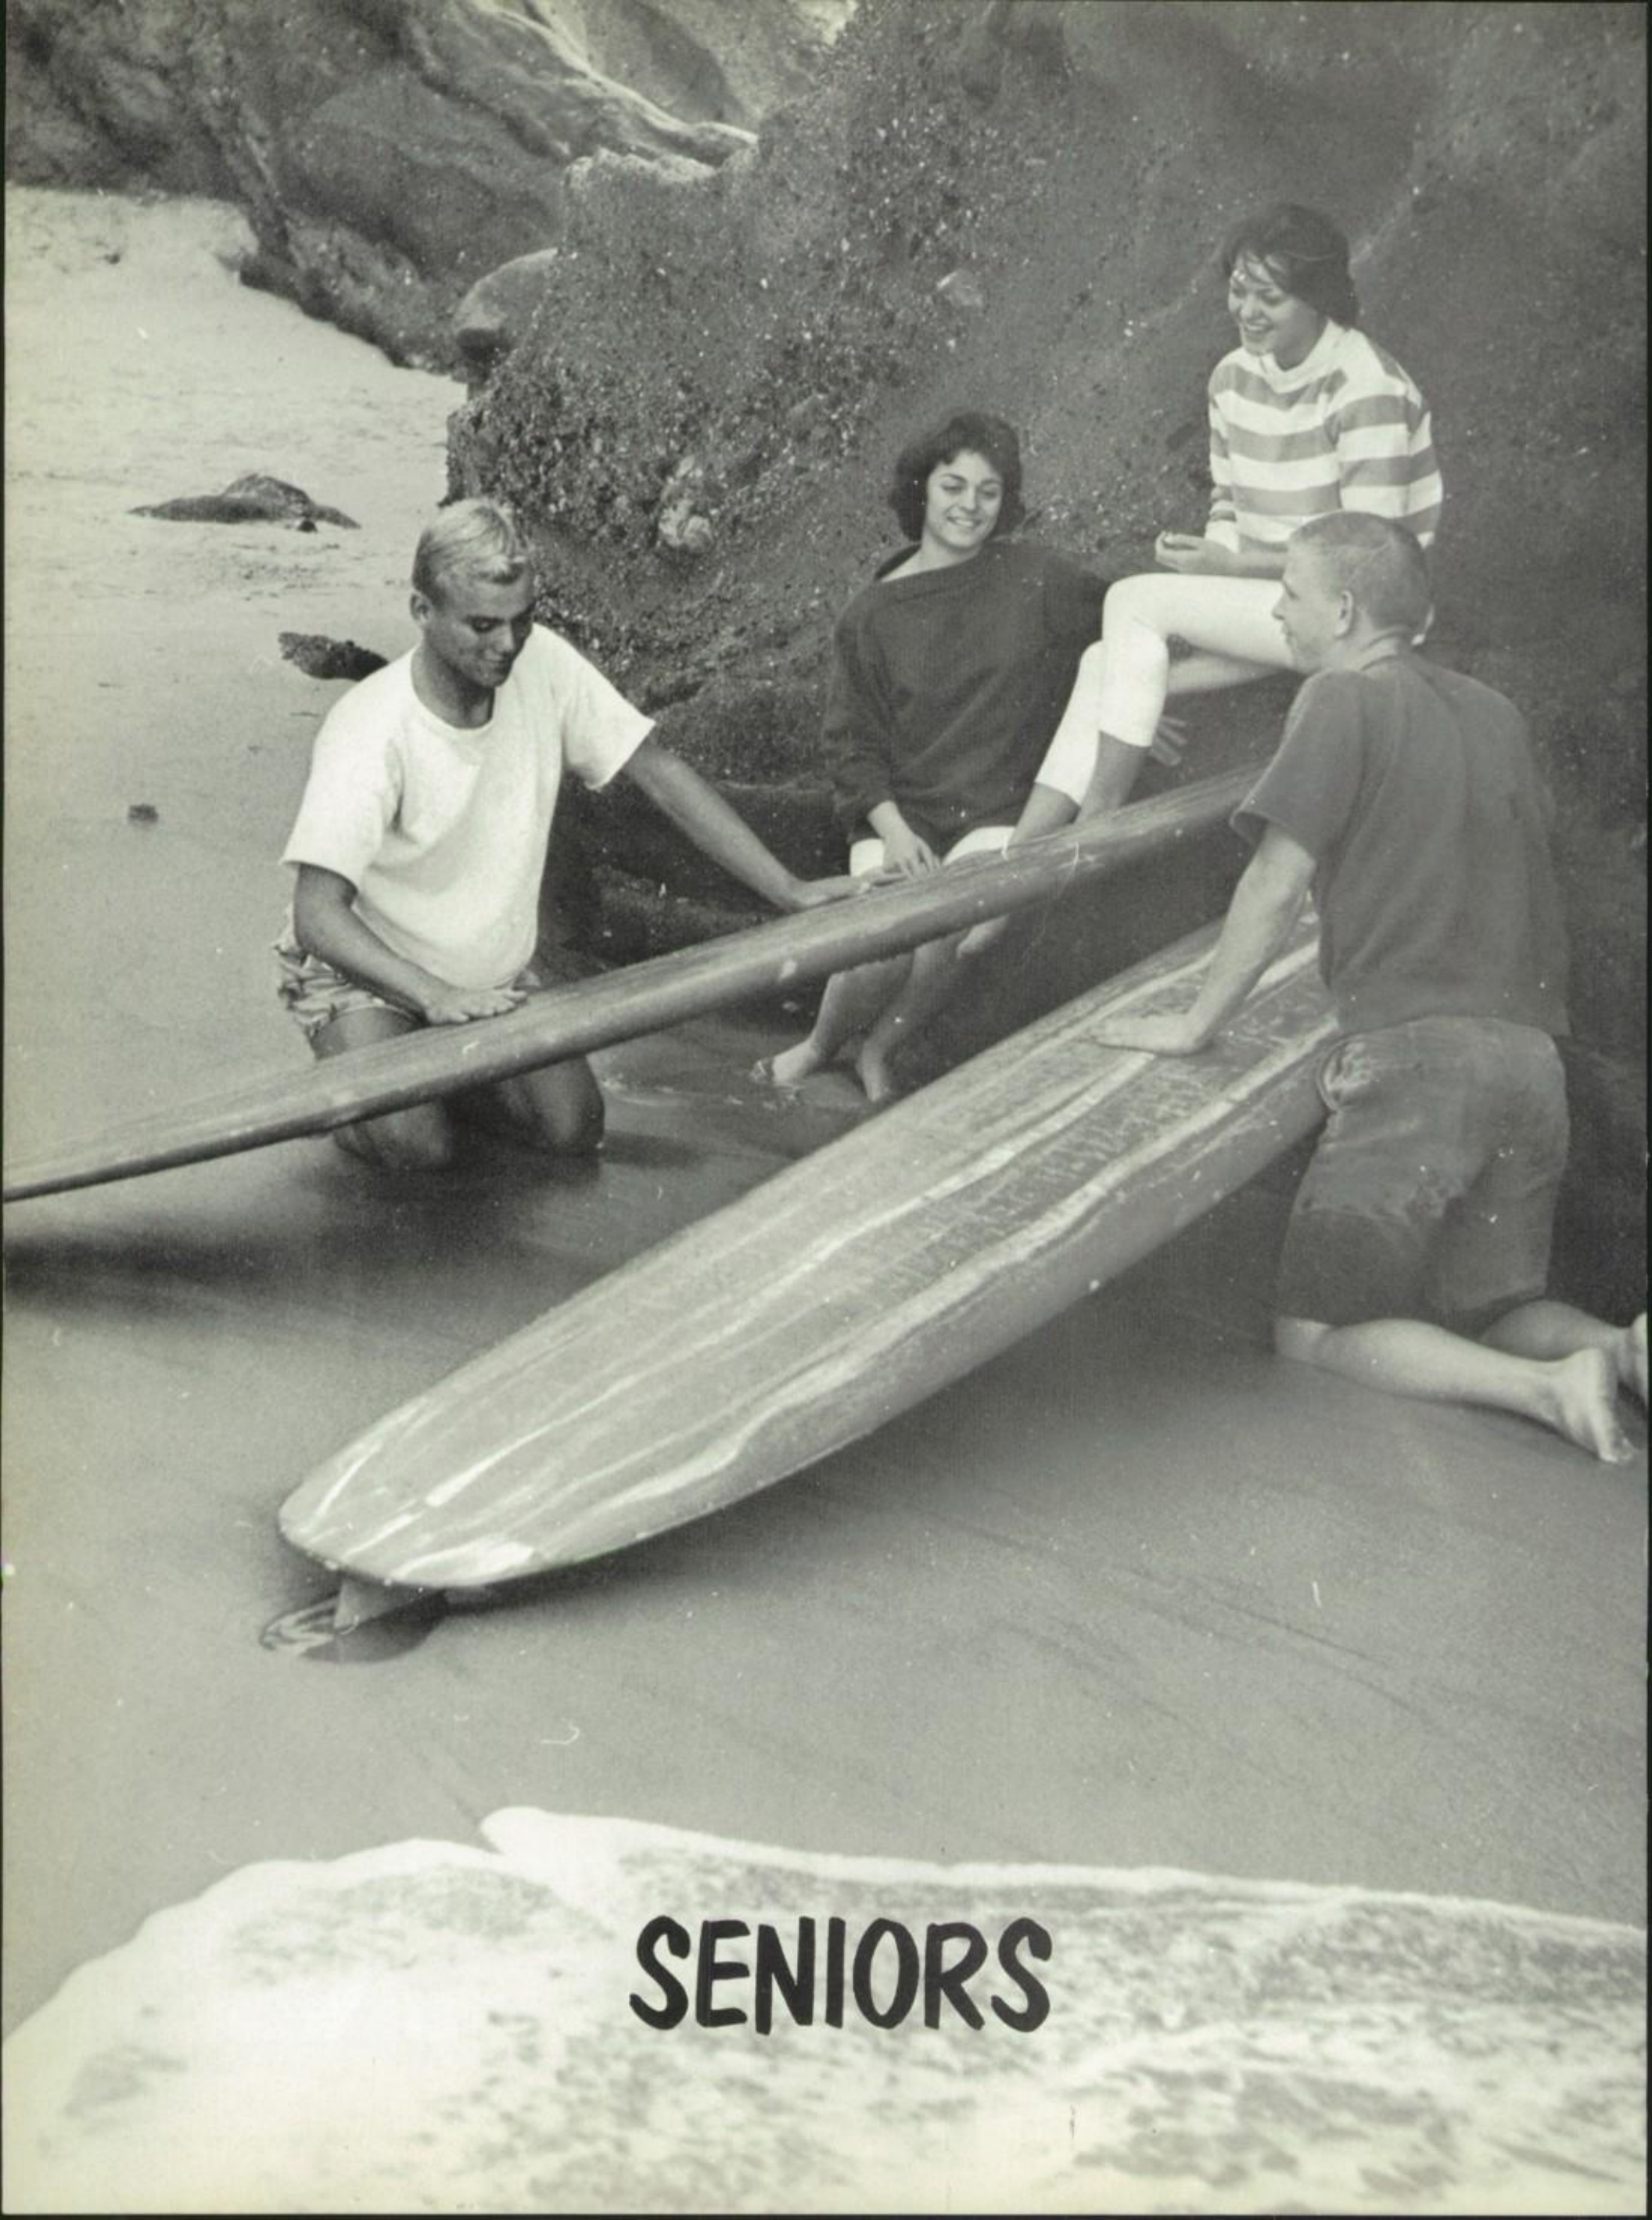
CLASSES

Give me fullness of life like to the sea and the sun; give me fullness of physical life, mind equal and beyond their fullness; give me a greatness and perfection of soul higher than all things; give me my inexpressible desire.

Richard Jeffries

The words "devotion" and "loyalty" can aptly describe the students of Western High School, for these qualities have become the trademark of the Pioneers.

"School spirit and school support" has been the theme of every student activity, a motto for which Western can be proud. From Friday exams to football games, the Western students have given their best. They have shown willingness to obey as well as learn, and courage to lose as well as win. In pursuing these virtues, the students have shown the real meaning of "Pioneer spirit."



SENIORS

OFFICERS

Under the leadership of Bob Harman, Warren Kusaka, Elaine Shields and Stormie Sherk, Western's senior class has had a busy year. The major goal of this year's senior class has been to raise $1,500 for the class project.

At the beginning of the year the class sold pennants and pom-pons at the football games. For the Homecoming game with Anaheim they sold the traditional Homecoming mums. Other activities of the senior class were the sponsoring of many dances; the Grad Night Party and together with Anaheim it sponsored the Fun Night, '61.

To this year's senior class, the second to graduate from Western, we would like to extend our thanks and appreciation for its leadership, school spirit, and a job well done.

Bob Harman ..... President

Warren Kusaka ..... Vice President

Elaine Shields ..... Secretary

Stormie Sherk ..... Treasurer

PATTY AND

JUDY ELMORE

As its most outstanding girl of the year, the Class of '61 unanimously chose Judy Elmore. Judy has helped institute a tradition at Western in becoming the first "Patty Pioneer."

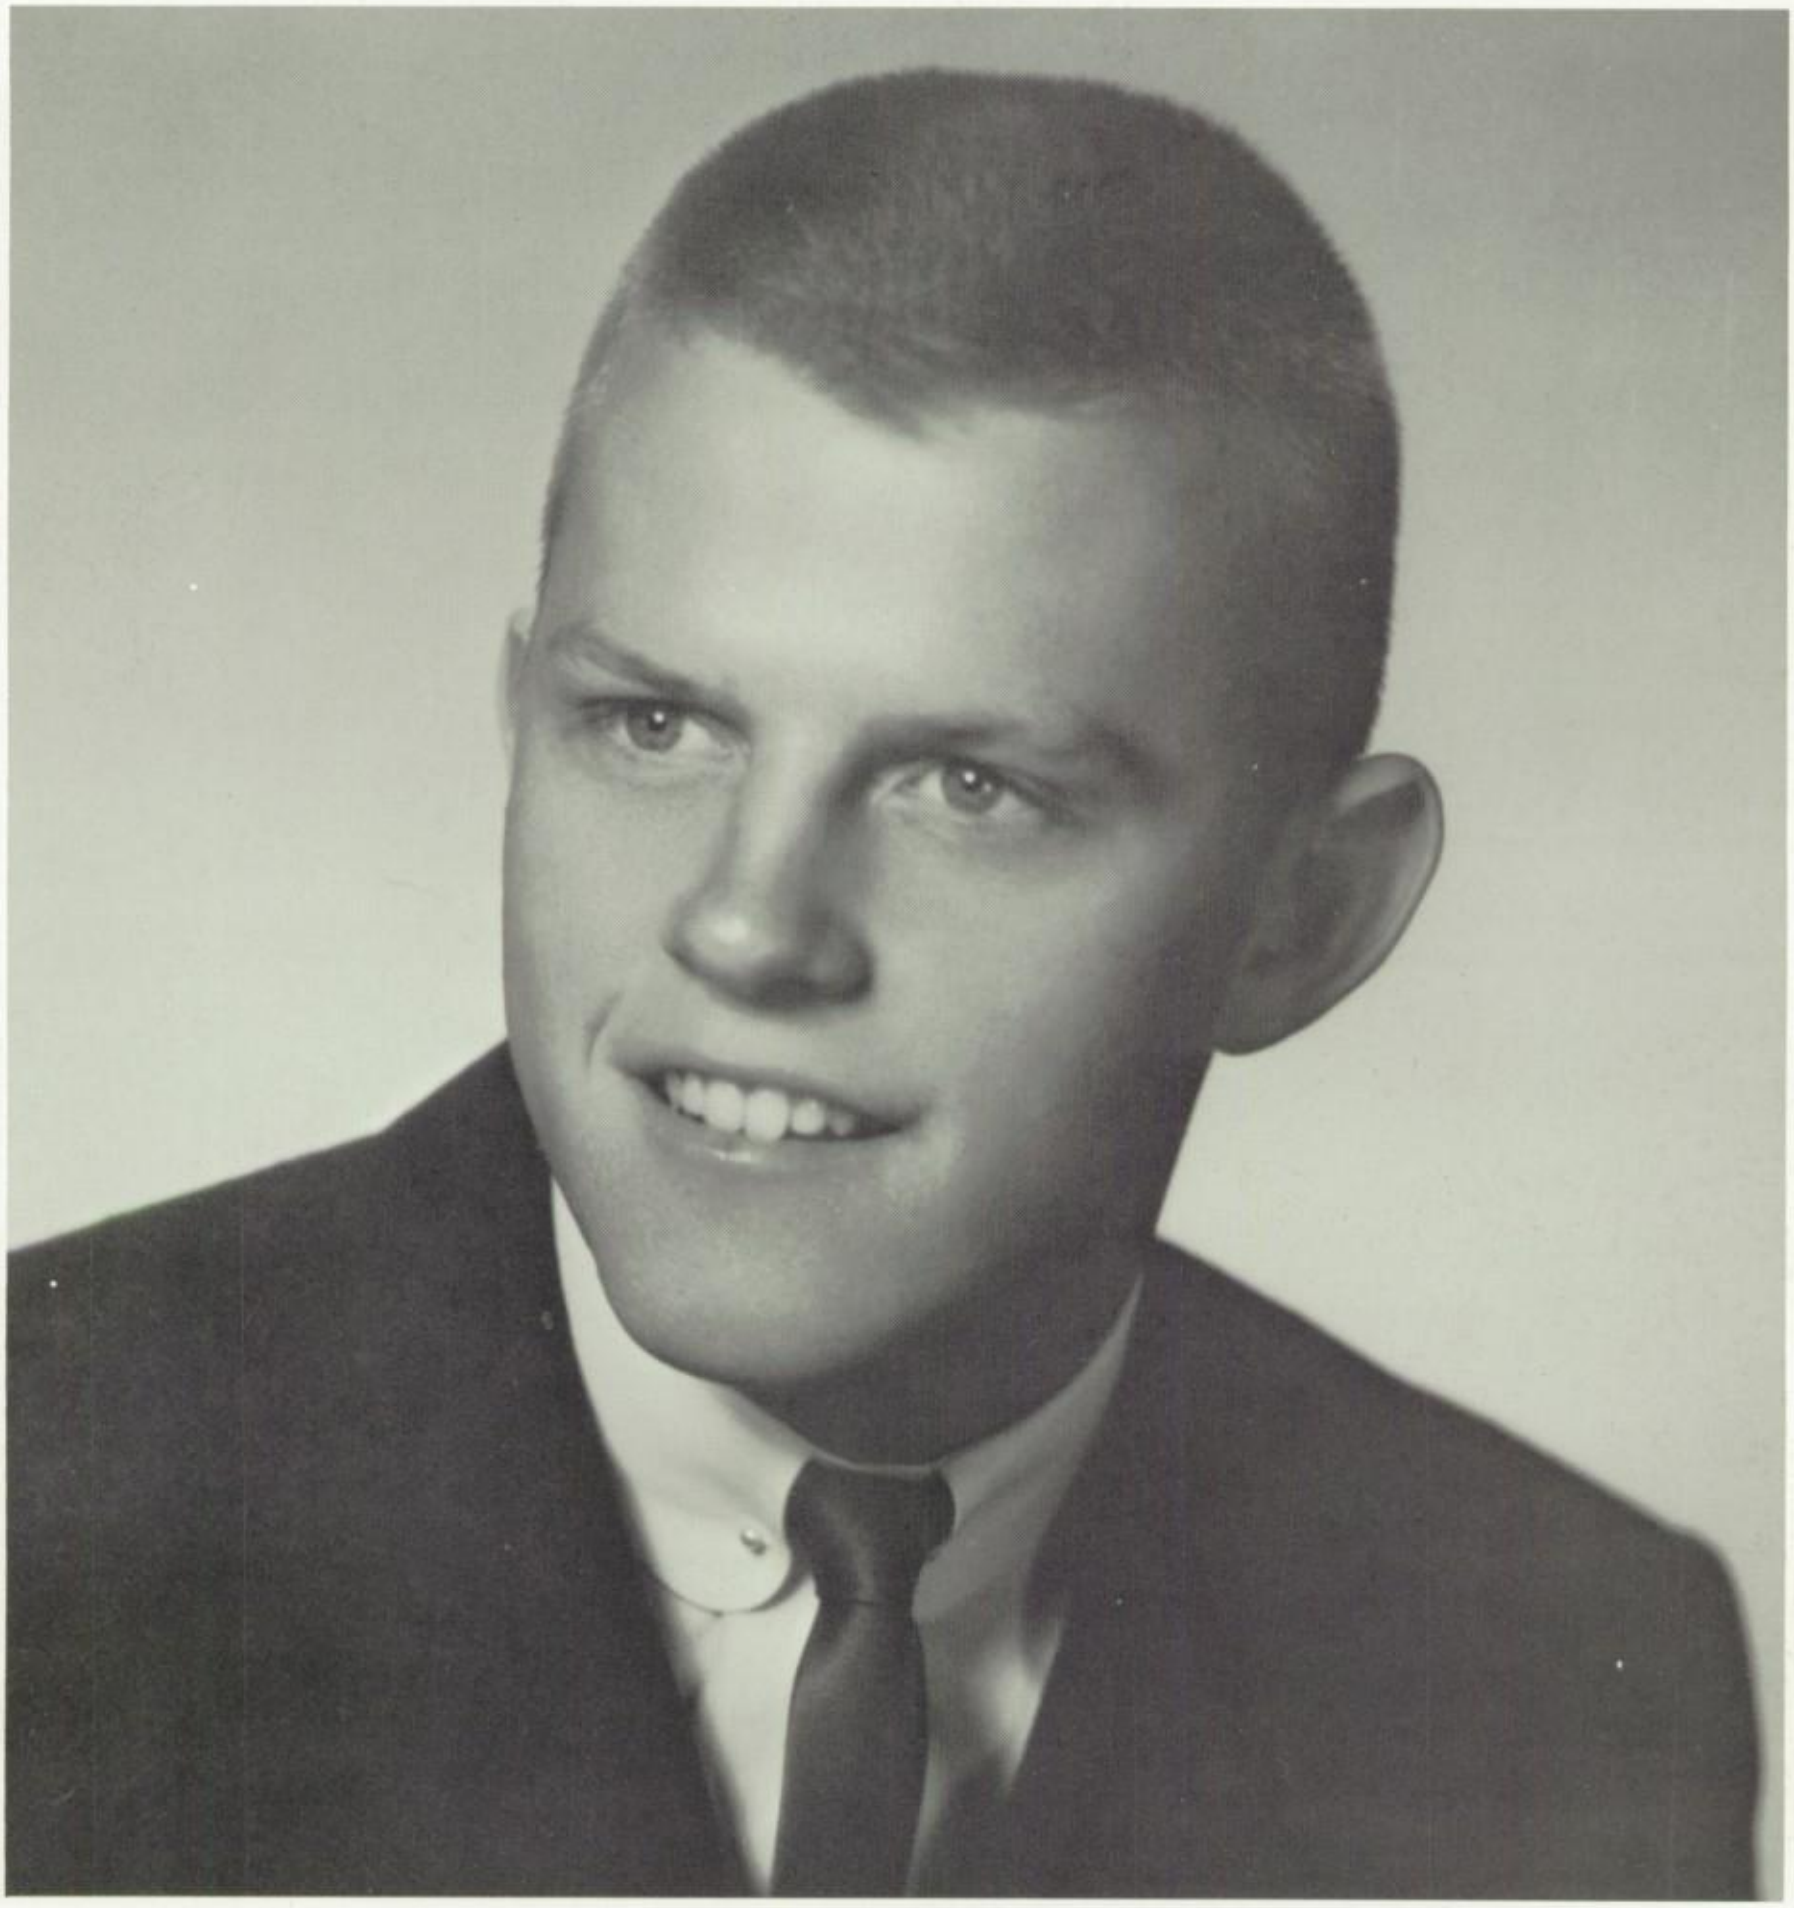
Judy is most worthy of the honor, for she has participated in many campus activities in addition to strengthening school morale and spirit. In her role as head cheerleader, she has given tremendous support to the athletic teams, and helped them toward many victories.

Judy's unmatched personality has gained the respect and admiration of many students. The smiling face and friendly words have helped her become one of the most popular girls on campus. During her sophomore year, Judy was chosen "Sophomore Sweetheart" of the Valentine dance, and, in her senior year, she was selected as Western's first Homecoming Queen.

Judy was active in the Spanish Club and assumed the role of secretary in the California Scholarship Federation. Pressure did not affect her, however, as she also participated in Y-Debs.

The classes of '61, '62, and '63 extend to you, Judy Elmore, hearty congratulations and a warm "thanks" for your unselfish and rich contributions to our school.

PAUL PIONEER



BOB HARMAN

As its first Paul Pioneer, the Western student body chose Bob Harman. Bob was selected for his outstanding leadership, scholastic achievement, and fine citizenship.

Bob has been a leader of the Class of '61 for two consecutive years, as Junior Class Vice-President last year and Senior Class President this year. In both positions he gave fine service to the school.

Bob's athletic career includes a year's participation in "C" football and two seasons of "B" and "C" basketball. Changing his interests toward swimming, Bob has played two years of Varsity Water Polo and was named to the Second Sunset Team this year.

On the scholastic level, Bob has maintained a strong B+ average in his classes. In school activities he is a member of the Student Council and the Varsity Club. He also earned an honor in a speech contest. Outside of campus activities, Bob participates in the De-Molay.

In bestowing the title of "Paul Pioneer," we, the student body, extend to Bob Harman congratulations, best wishes, and appreciation for his many contributions to Western.

SENIOR CLASS ACTIVITIES

Jeanne Cavatio and Carolyn Rosenbloom cornered this year's foreign exchange student, Jorn Herje into buying a pom-pom and pennant. Selling these pom-poms and pennants was one of the major Senior Class projects this year. The money raised was contributed towards the class gift.

Elaine Shields, Senior Class Secretary, and Warren Kusaka, Treasurer, explained all about "Fun-Nite '61" to Sharon Throop. It was a joint dance for Western and Anaheim seniors held in January. "Fun-Nite '61" was a night of dance contests, prizes and recreational games. The purpose of the dance was to better the relations between the two schools and to acquaint the seniors of both schools. Both Anaheim's senior class officers and Western's planned "Fun-Nite '61."

To the greatest
little sister that I
have ever seen. We
all expect great things
from you in the future.

Russ Almond

JUNIORS

Pictured left to right are: Verjean Rattenbury, Linda Fowler, Charlene Sparks, and Charles Aguinaga

OFFICERS

The Junior Class Officers have done a remarkable job of leading the Junior Class in all their many activities during the year 1960-61. They have maintained a full schedule by sponsoring such school activities as the Howdy Hop, the Beatnik Ball, Junior Dues Cards, the publication of the Student Directory, and the Junior-Senior Prom.

We would like to express our thanks to the Junior Class and Junior Officers for a fine job well done. They have certainly proved that they are prepared to take their place as Western's next Senior Class.

I must go down to the sea again, for the call
of the running tide
Is a wild call and a clear call that may not
be denied;
And all I ask is a windy day with the white
clouds flying,
And the flung spray and the blown spume and
the sea gulls crying.

SOPHOMORES

Pictured left to right: Steve Puente, Kay Hatanaka, Sharon Smith, and Mickey Bennett.

The Sophomore Class came to Western this year eager to join the Pioneer student body. Western is very proud of our Sophomores as they gave their all to the backing of school athletic teams and activities. The Class of '63 started off their year by winning the annual P.T.A. drive, and as their reward, enjoyed a special assembly presented for Sophomores only. Their capable officers led the class in the planning of one of Western's biggest dances of the year — The Sweetheart Ball!

Congratulations to the Sophomore class and its officers for a job well done as our newest Pioneers. We are confident that our Sophomores will continue to build Western and keep it the wonderful school it now is.

ACTIVITIES

DIVISION

There are times at Western when the students can momentarily forget the drudge of schoolwork and take time to relax and be merry.

Some find this enjoyment in joining one of the many clubs organized at Western. In such groups they may find new friends and broaden their scope of new experiences. Others burn their energy and thrill with excitement in cheerleading, song-leading, flagtwirling, drill team and other such pep-filled activities.

Most all of the students can be found at one time or other enjoying the whirl of a dreamy formal dance, the gaiety of a potluck dinner, or the fun of a school play.

No matter which activities the students enjoy most, all of them are sponsored to offer the Pioneers a chance to develop themselves into better citizens of tomorrow. These activities teach the students to work and get along with their fellow future citizens in a most profitable and successful way.

The Western Chapter of the California Scholarship Federation has continued to achieve high scholarship and to devote service to the school during the year. Among its projects for the year were Career Night, the Senior Dinner, an educational scholarship and several others. The club this year doubled its number of meetings and its membership greatly increased. One of the advantages enjoyed by the members was a series of college campus tours. The sponsors were Mr. Koskela, Miss Taylor and Mrs. Yowell.

One of the most prominent clubs on Western's campus again for its third year in existence, is the Foreign Exchange Committee, under the capable assistance of their sponsor, Mr. Freeman.

The enthusiasm generated by the group has enabled them to reach their main goal of bringing to Western two new foreign exchange students each year. They have proudly shared in the fulfillment of the objectives of the American Field Service — to gain better relations and understanding between nations through the exchange of high school students.

They held the honor of "Club of the Year" during 1959-60, and have been of service to the school in promoting enthusiasm and understanding among the students for the meaning of the American Field Service.

This year the group has enjoyed hosting two admirable students: Jane Seelinger from Uraguay and Jorn Herje from Norway.

Membership in the Latin Club was limited to students who were enrolled in the Latin classes at Western, or those who had already studied Latin. This year's roster included fifty students. The club sponsor was Mrs. Wells.

Regular meetings were held twice monthly at which programs related to Roman civilization or to the Latin language were presented.

The club's activities included a Roman banquet at which those who attended wore Roman costumes. This affair served as a "welcome" to first year students. The club also helped co-sponsor the Beaux Arts Ball and at Open House presented a play in Latin written by Latin students.

In keeping with the purpose of the club — to promote interest in the Spanish language and culture — the Spanish Club had many varied activities throughout the year. During Christmas, the members took a trip to festive Olvera Street in Los Angeles. In February they sponsored an all-school Spanish Dinner. They also helped to co-sponsor the Beaux Arts Ball.

Highlights of the year included French dinners in real French restaurants, the fabulous Beaux Arts Ball, a field trip to the Huntington Museum and many money raising activities. The capable Mademoiselle Gayle Kircher served as president for the 1960-61 year. Mr. Glass served as the club sponsor.

GREAT BOOKS CLUB NEW ON CAMPUS

Left to right are Cecile Hoefelmeirer, *vice-president;* Mrs. Washam, sponsor; Valerie Bickel, *secretary;* Pat Kuljis, *publicity;* Richard Clements, *president;* and Judy Thompson, *treasurer.*

One of the newest clubs on campus is the Great Books Club, which is patterned after the thousands of adult Great Books Discussion Groups.

After reading selections of great books, the members get together to discuss ideas and exchange opinions. The "great books" have something to say to all because they deal with basic questions — questions of right and wrong, good and bad, justice and expediency, truth and false which have concerned men in all ages. The emphasis is on thinking for one's self, reading more accurately, communicating ideas clearly and intelligently, and listening to the opinions of others with respect and understanding.

As a service to the school, the Great Books Club sells paperbound editions of the classics and contemporary literature.

WESTERNETTES DONATE MONEY FOR PATIO

The Westernettes were very busy on campus during the year. Outside of putting on their annual Sadie Hawkins Dance, they donated money toward the new patio, and helped to buy new stage lights. They also helped another club to paint the trash cans around the campus and ushered for the Band Concert. For their Easter project they made decorations for the meal trays at the Orange County Hospital. All together the Westernettes have been a service to Western this year.

PUPILS TO BE FUTURE TEACHERS

The Western Future Teachers' club is affiliated with the California Education Association and the Future Teachers' of America.

Its purpose is to build interest in the teaching profession and encourage young persons of ability and character to make education their life work.

Speakers from various subject matter areas and grade levels provided information about the teaching profession to the club members.

The highlight of the year was the trip to the U.S.C. campus where fifteen of its members participated in the Southern California Future Teachers' Conference. Among other activities were the Halloween Party, Christmas caroling and the selling of various items for their annual scholarship award.

Sponsored by Mrs. Wilson and Mr. Embree the club activities included their annual Christmas party, the presentation of the new trophy case to the school, a field trip to the Bell Telephone Company in Anaheim, the Thanksgiving food drive, and the Business Education Award Banquet that was held at the end of the year.

The Pioneer Pep Club expanded to a membership of over three hundred and, dedicated to the support of Western School spirit in all phases of campus life, ended a year of many new activities. For the first time, Western displayed a flash card section; ushers were provided for assemblies; publicity for and support of all individual and team events and many other activities were given. In all, thirteen capable chairmen headed various Pep Club committees. Moreover, the Senior officers laid a strong and challenging foundation for those who replaced them. Proud of Western's student body, Pep club members hope that their club might increase in service to Western.

DRAMA CLUB PROMOTES THEATRICAL PROGRAMS

The primary function of the Drama Club is to take care of all technical details for Western's three-production drama season. This means scenery, costumes, make-up, props, publicity, ticket sales, etc. In addition, the members attend many professional stage and film productions. This year "Spartacus" and "Once Upon a Mattress" were among the shows attended. The Drama Club also promotes all-school theatrical programs.

F. H. A. TO MAKE CAREER OF HOMEMAKING

The Future Homemakers of America's goal is to help individuals improve personal, family, and community living now and in the future.

Members of the club this year donated their time to the Orange County Hospital. They gave a minimum service of three hours monthly, which entitled them to membership in the Teen-Angels organization at the hospital.

This club is financed by food sales on campus. A portion of these sales are used to help the Foreign Exchange Students on campus, and to bring new students here the following year.

Funds for service projects are raised primarily by operating concessions at football games. The club jointly sponsors the annual Career Night for Western Students. It contributes funds for the foreign exchange program and awards a scholarship to deserving club members. This year the Key Club also provided a complete Christmas dinner to a needy family in the area.

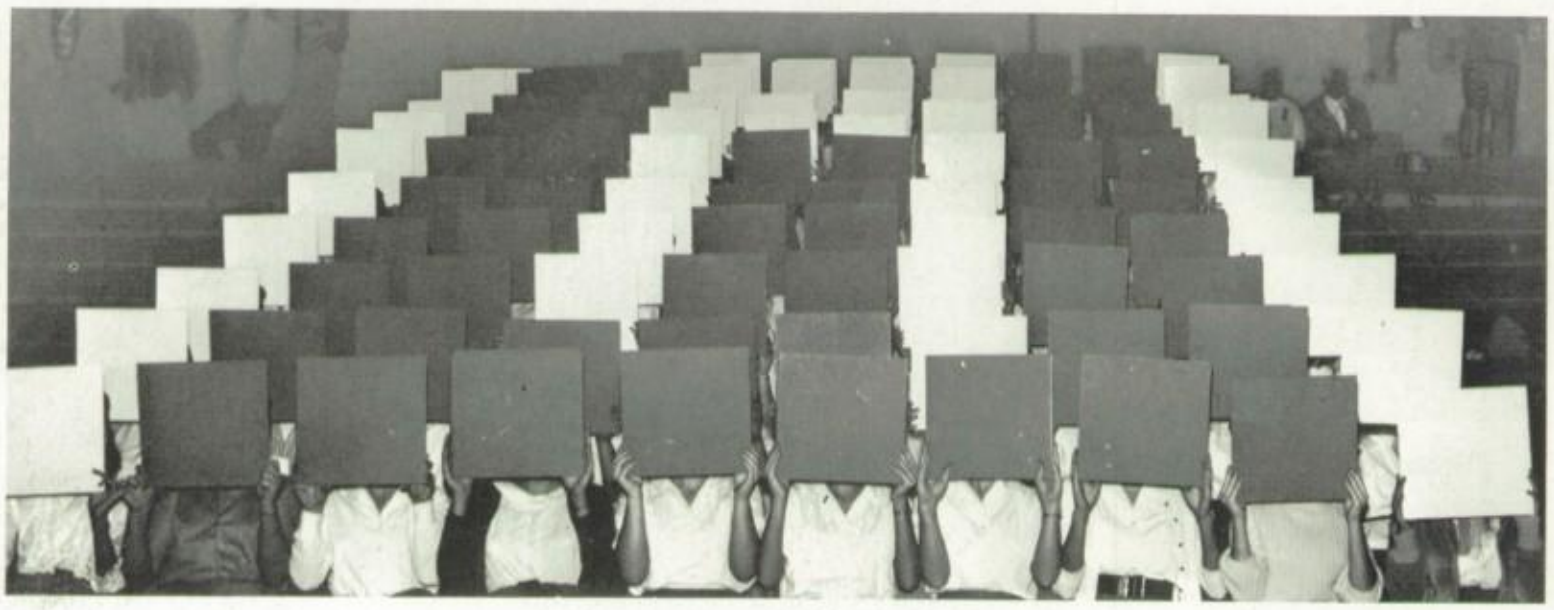
CLUB ACTIVITIES



This year Western's Pep Club organized a card section which could spell out Western and yells. In the picture they are spelling out *W* in Western. They enjoyed their first performances at the football games.

This year the California Scholarship Federation decided to lend a helping hand to fellow students in need. CSF students who did outstandingly well in a course were asked to tutor others having trouble. In the picture Bill Bozarth and Jeanne Crain are tutoring Barbara Lumley.

Mary Jaedicke, President of the Future Business Leaders of America is admiring the trophy case purchased by the FBLA. As quickly as the club could install the trophy case, it was filled with trophies.

The choir has also had various money raising projects. One not soon forgotten was the sale of delicious milk chocolate almond candy bars. The profit helped purchase their blue gowns and new candles for the Living Christmas Tree.

SILHOUETTES

CHARLYN PALMER
Head Leader

To be complete, any review of the 1960-61 Western High Scholastic year must include hearty congratulations to the Silhouettes. The always-busy Silhouettes have experienced an exceptionally heavy activity schedule this year. "Tustin Tiller Days" brought them not only a first place trophy, but a share in the Mayor's Trophy which they earned with the Pioneer Band. At Buena Park Silverado Days they marched their way to first place for the second consecutive year, while their first performance at the Hawthorne Band Review yielded a second place trophy. In Anaheim's Halloween Celebration the Silhouettes were well received at both the stadium show and the parade. They were the only drill team invited to perform with the Disneyland Band at the Optimist's Youth Pageant. Another first for the Drill Team was the competition at the Brookhurst Shopping Center. From this event the Silhouettes gained a $250 scholarship for which a deserving Western senior may apply. Completing their first semester parade schedule was the Disneyland "All Nations" parade. Always a part of the Silhouettes calendar are the half time shows put on at all home games during the football season. The girls put in many additional hours of practice to perfect their part in Western's first Homecoming, which was the most memorable event of the year. Attired in their new cowgirl outfits, six-guns gleaming and hats tilted proudly, the Silhouettes introduced "Ragtime Cowboy Joe," executing performances so that they were termed "professional" by one newspaper and voted the best in Orange County by another. Close on the heels of this triumph came the challenge to spread their fame farther than ever. The Silhouettes accepted, and on December 10, carried the name of Western High School from coast to coast when they appeared in the Coliseum, performing at the half time for a nationally televised Los Angeles Chargers football game. Honor and recognition are just a small reward for their exacting practice. Each performance, regardless of length, requires at least ten hours practice. To meet the demanding schedule a Drill Team girl must be exceptional. She must be alert, practice good health habits, be quick to learn, able to accept responsibility, and profit from constructive criticism. Many of the girls also manage to participate in school assemblies, clubs, and school government, as well as maintaining good scholastic standing. As the Spring Show was the culmination of a year of Drill Team exhibitions, so graduation brought to a close the high school careers of the senior members of the Silhouettes. Tears of joy and sorrow mingled as the departing seniors said their last goodbyes and packed their drill team bags for the last time. Guidance, leadership, good sportsmanship, and precise timing, not to mention worthy goals, have made the Silhouettes an outstanding organization, a source of pride to all at Western.

Flag Twirlers

The above seven girls may appear a bit familiar to you. They were Western's peppy Flagtwirlers. Although a new group on campus, these active girls developed the skill and poise for which Western is noted. They could be found performing at all football and basketball games, as well as pep-rallies and assemblies. They had the particular distinction of marching at the front of the Pioneer Band in all parades. Their many activities were, however, only a climax to the long hours of practice which they had put in. They were seen practicing every day during the summer months, and three times a week during school. These girls feel they owe much to the excellent sponsorship of Miss Taylor and capable direction of Mr. Jackman. It is plain to see that anyone interested in their help to provide school spirit would find them always available.

The perky, high spirited songleaders have contributed a great amount of color and enthusiasm to the ever important Western High School sports events this year. They danced to many high-stepping and intricate routines to give the crowd an extra bit of entertainment at all Pioneer activities. Their smart looking uniforms and excellent routine precision brought many comments from the Pioneer crowds.

Holding the positions this year are Kina Bronestine, (two years), Carol Sharp (one year), Jeorgeanna Stark (one year), Pam Kingsbury (two years), Marcia Covington, (one year), Joanne Oviedo (three years), and Kay Jaggers (one year).

Cheerleaders

Leading the pioneer rooting sections during football and basketball seasons were six spirited girls, Judy Elmore (senior), Judi Anderson (senior), Connie Jump (senior), Linda Cooper (junior), deAnn Martin (junior), and Cheryl Elshire (senior). These six were always counted upon to keep the cheering going, win or lose. During the summer the cheerleaders could be found practicing three nights a week. They also were very fortunate as they were the first representatives from Western High to attend the National Cheerleading College held at Redlands University during the summer vacation. At Redlands, they were honored with first and second places in their divisions during daily competition. The Orange County sports writers bestowed another honor upon the group. They were voted The Outstanding Cheerleaders of Orange County for 1961. Acting as head cheerleader was Judy Elmore. Judy, along with Judi Anderson, has served as cheerleader for two years, while Connie Jump has served for three years. They were advised by Miss Owline Gregory.

BOYS' ATHLETICS

Along with the scholastic and intellectual contributions to Western, much credit goes to the athletes. The years of 1960 and 1961 proved to be successful seasons for all teams. From football to water polo, all divisions placed high in the Sunset League competition. In each case, the success was due to the close teamwork of the players.

The athletes of Western have provided much honor and prestige for the school. This year, Western placed many names on the honor roll of outstanding county athletes. In reviewing the team accomplishments, Western finally "came of age" and defeated Anaheim High School. Significant victories over the Colonists were the 20—7 grid upset at La Palma Stadium and the 52—50 basketball win in the Colonists' gym.

We should not fail to mention the other athletic teams at Western. The water polo teams, improved greatly over last year, took a high finish in league competition. The wrestling team send 11 of its representatives to the C.I.F. matches.

Whether grinding out yardage on a muddy field, or stroking the lengths in a fast pool, the Pioneer athletes of '60—'61 helped greatly to put Western High School "on the map." With teamwork, skill, and talent, they proved to everyone that Pioneer spirit leads to accomplishment.

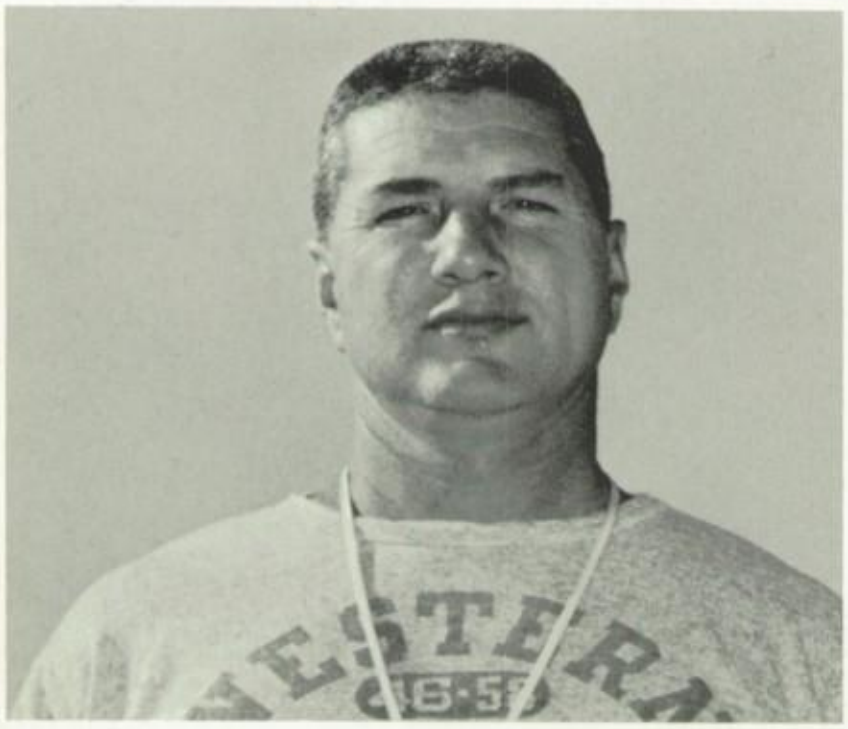
reasons for pioneer success:

GOOD COACHES AND



Don Davis: Head Coach

Mr. Davis has served at Western for four years. As head coach of the Pioneer Varsity, he has consistently produced fine football teams. Along with football, Mr. Davis also coaches Varsity and Junior Varsity wrestling. This year, he is the president of the Basketball Officials' Association of Orange County.

Ervin Kimble: Line Coach

Mr. Kimble has been the line coach at Western since 1957. During these years, he has trained and prepared many hard-hitting linemen. Evidence of his success is shown by the fact that Western took third place in the Sunset League this year. When not engaged in football, Mr. Kimble coaches the Junior Varsity basketball team.

George Hartman: End Coach

In his first year at Western, Mr. Hartman served as the end coach of the Pioneer Varsity. He was previously employed at Bolsa Grande High School where he worked as a backfield coach. Much of the season's success can be credited to Mr. Hartman, who did an outstanding job with the ends. In the off-season, Mr. Hartman coaches sophomore baseball.

ABLE ASSISTANTS

Charles "Chick" Flynn: Equipment Manager

Faithful and dependable Mr. Flynn has served at Western ever since the school began. He has served as counselor, friend, and father to hundreds of athletes, ranging from Varsity to "C's." Coaches and players alike respect him for his warm sympathy and untiring patience. Mr. Flynn has done a commendable job as coordinator of locker room activities.

John "Doc" Frandsen: Trainer

A pair of scissors and a roll of tape were the trademarks of "Doc" Frandsen. Serving as Western's athletic trainer, Mr. Frandsen taped countless pairs of ankles, in addition to treating bruises, blisters, and sprains. Part of the season's success can be credited to "Doc's" tireless efforts in keeping the players physically sound. Whenever there was an injury, "Doc" Frandsen was the man to see.

Student Managers

Archie Allison, Doug McMurtrie, Don Nordstrom, and Elmer Sabin were the student managers of the Pioneer Varsity. At the games, these boys were always on the job, keeping statistics or soaking towels for thirsty players. Together with the coaches and players, the managers formed an essential part of the team.

TOUGH PIONEER SQUAD

September 23, 1960
Western (6) John Muir (7)

In the season's opener, the Pioneers traveled to the Rose Bowl in Pasadena and dropped a close contest to the Muir Mustangs 7—6. Although the Pioneers led in both first downs and yardage gained, they could not supply the extra point.

The Pioneers scored on a pitch-out by Dennis Painter to Kit Mack, who sprinted 36 yards for the touchdown. Western missed its all important PAT. In the third quarter, the Mustangs intercepted a pass and converted it into a 7—6 lead. Although they came close, the Pioneers were not able to score again.

In the early part of the game, Bob Dawson recovered a Ram fumble to set up the only Pioneer score. Rancho Vegas also scored, which placed the teams in a 6—6 halftime tie.

In the second half, the Rams launched a concentrated passing attack that was good for 14 points and a Ram victory.

COMPETES IN SECOND SUNSET

October 7, 1960
Western (20) Fullerton (19)

In its first Sunset League tilt, the Pioneers snatched a 20—19 win from Fullerton's favored Indians. A touchdown and a PAT by Dennis Painter put the Pioneers in an early 7—0 lead. Fullerton countered with three big touchdowns, allowing for an additional Pioneer score, to put the Indians in a 19—13 halftime lead.

In the third quarter, the Pioneers surged from behind to score their third and winning touchdown, stealing a close victory from the Indians.

With minutes to go in the first half, however, the Saints exploded with two more TDs to run away from the Pioneers, 26—12.

Both teams traded touchdowns again in the fourth quarter, bringing the final score to 32—18. Odowick and Cuevas sparked the Pioneer offense, while Rathbun shined on defense.

YEAR, BATTLING TO

October 22, 1960
Western (6) Newport (18)

Western traveled to Newport and met defeat for the second straight time. The Pioneers started with a strong attack and scored first when Dennis Painter threw a six yard pass to Bill Beazley for a touchdown. But then the Pioneers slacked off and Newport came rushing back. The Tars scored touchdowns in the second, third, and fourth quarters. The Pioneers attempted to come back late in the game, but were unsuccessful. Newport's last touchdown brought the final score to 18—6.

Western's defense held Garden Grove in check and was responsible for scoring eight of Western's total points. Charlie Aguinaga scored a two-point safety by stopping an Argo ball carrier in the end zone. Western's first TD came on a 62 yard drive after an Argo kickoff.

Nick Odowick made the final score for the Pioneers by picking off a Garden Grove pitch-out and racing 14 yards into the end zone. Dennis Painter's PAT made the final score 15—0.

A SEASONAL FINISH

November 4, 1960
Western (2) La Habra (20)

Western came up against La Habra on the Highlander's Homecoming Night. Playing on a rain-soaked field, the Pioneers were unable to generate any offensive scoring attack and fell to the aroused La Habra gridders by a score of 20—2. The lone Pioneer tally came on a second period safety when a La Habra ball carrier bit the dust behind the goal line.

The Highlanders stormed back after halftime, scoring three touchdowns to wrestle the victory from the Pioneer eleven.

Western (13) Huntington Beach (6)

Predicted to lose by 20 points, the Pioneers traveled southward to meet the Huntington Beach Oilers, who had only been defeated by Anaheim. The inspired Pioneers fooled the sportswriters and dropped the Oilers, 13—6.

Fullback Haynes scored Huntington's only touchdown, after which the Pioneers came fighting back. A 95 yard drive, sparked by the passing combination of Painter and Hoffman, resulted in a halftime deadlock of 6—6. Western's defense picked up four fumbles in the second half to set up the winning score for the Pioneers.

OF THIRD PLACE

November 18, 1960
Western (20) Anaheim (7)

The sturdy Pioneers put a damper on Anaheim's undefeated record by whipping the Colonists 20—7 in the final game of the Sunset season. The Colonists drew first blood when Jim Mark dashed 62 yards on the second play of the game to score Anaheim's only touchdown. But in the second period the Pioneers began to move. Kit Mack recovered a Colonist fumble and shortly afterward Nick Odowick scored for the Pioneers. The halftime score stood 7—6 in favor of Anaheim.

Anaheim threatened to score again as their offense moved deep into Western territory, but the stubborn Pioneer defense held the fort.

With minutes left in the game, Bill Beazley iced the game for the Pioneers by scooping up an Anaheim fumble and racing six yards for the score. The final score stood 20—7 in the biggest Sunset League upset of the year.

The Varsity basketball team showed much promise and potential at the beginning of the cage season, winning two consecutive tournaments at Santa Ana Valley and Chino. Unfortunately, the team could not release its potential until the end of the year. Thus, the squad placed fifth in Sunset League competition.

Despite its low standing, the Pioneer team was a constant threat to the opposing schools. Western was feared and recognized for its strong team effort and high scoring power.

Pacing the Western "five" was Hal Murdock and Joe Day, leading scorers on the team and in the league. Commanding the backboards was Bob Roeland, who broke the school record for rebounds. These players, by their performance, won all-county and all-league honors.

The team itself finished the league season with a 7—7 record, twice defeating Santa Ana, Garden Grove, and La Habra. The Pioneers, however, lost two "heartbreakers" to Fullerton, as well as to Huntington Beach and Newport Harbor, and once to Anaheim. The last and most significant game was the victory over the Anaheim Colonists in the losers' gym.

Without regard to their seasonal standing, the Pioneer cagers played hard and fair basketball. The players always stayed within the bounds of good sportsmanship and coupled with high performance and school spirit, they went on to add honor and prestige to the name of Western.

Season Summary

Despite the lake of weight and experience, the varsity and junior varsity wrestling teams performed exceptionally well in the '61 season. Pioneer fans were pleased over the strong team effort that was put forth by the two groups. At the season's end, 11 wrestlers went to the C.I.F. play-offs.

Season's Summary

The sport of golf was introduced to Western only last year. Since that time, it has grown and has now become a part of Western's inter-school athletic program.

The golf matches are always held on nearby public courses. This year's teams were headed by Mr. Messenger.

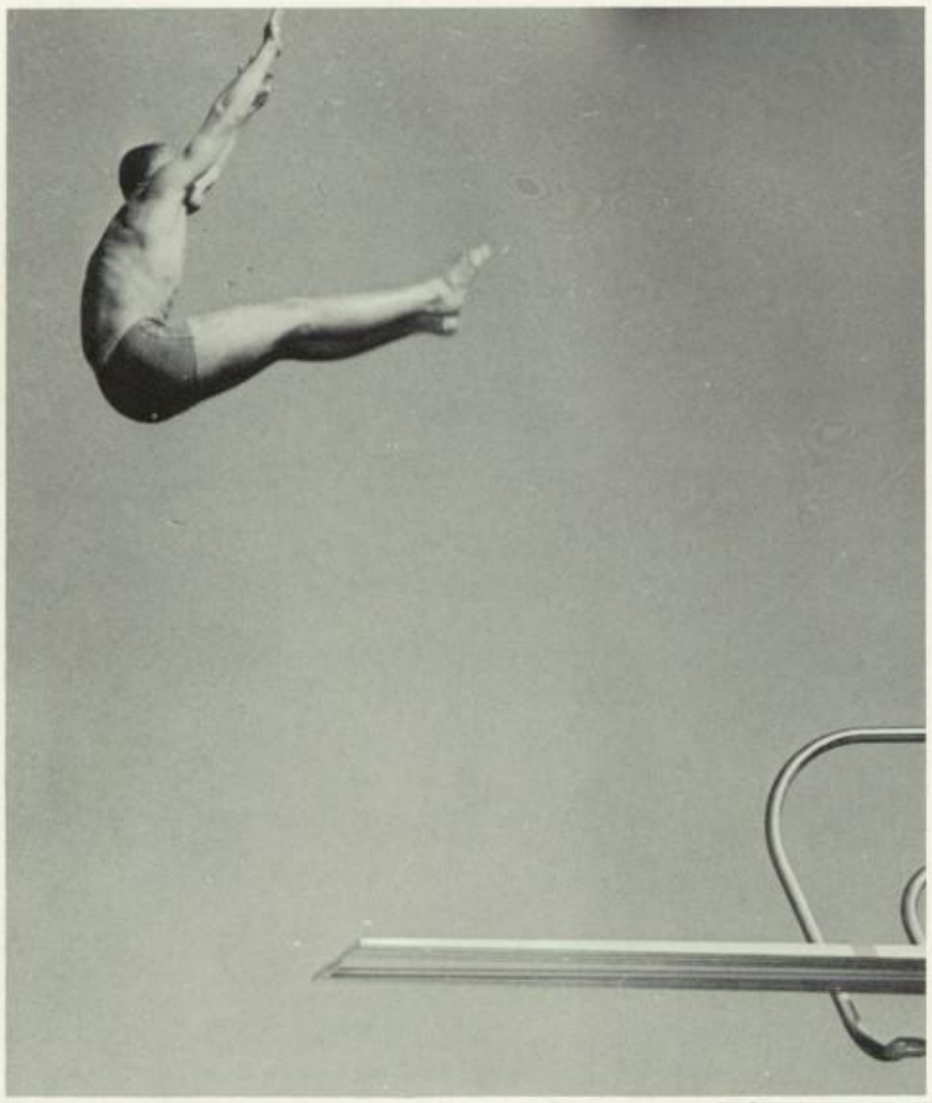
The Varsity Swim Team, much improved from last year, entered the season with great expectations. With the able coaching of Mr. Stevenson, the squad rivaled the best of its league competition.

This year, the team strength seemed to lie in the freestyle and the diving.

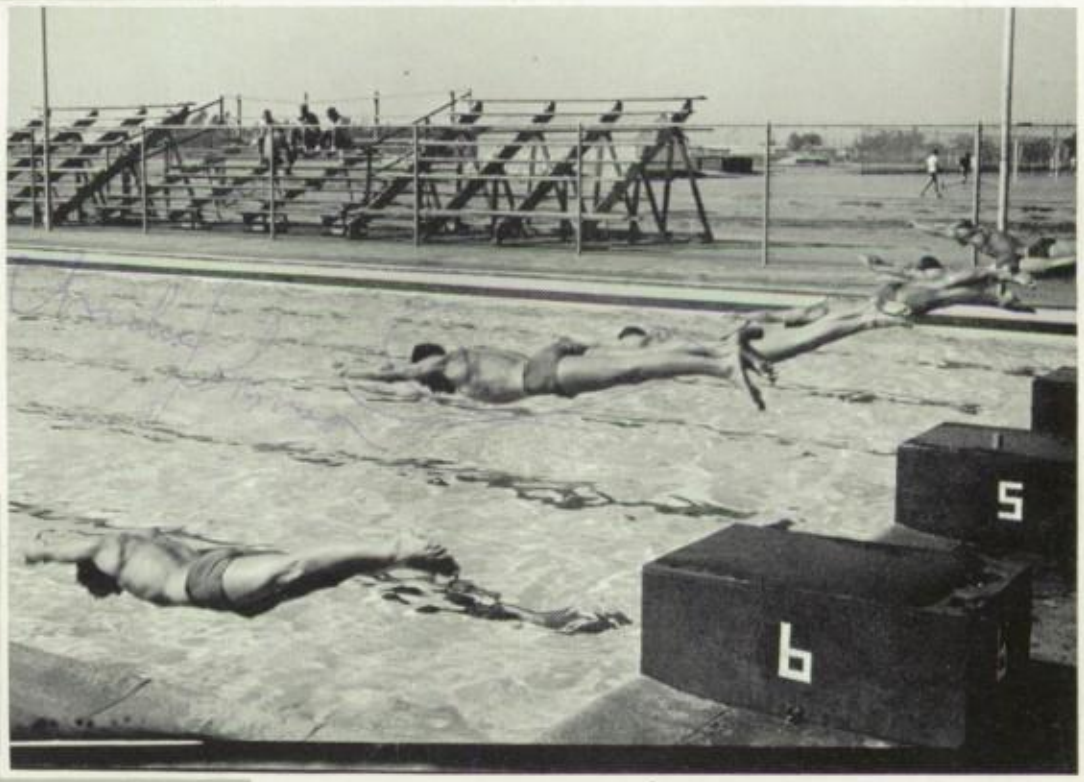
Pictured at the left is Coach Steveson, pointing out records set by Pioneer swimmers.



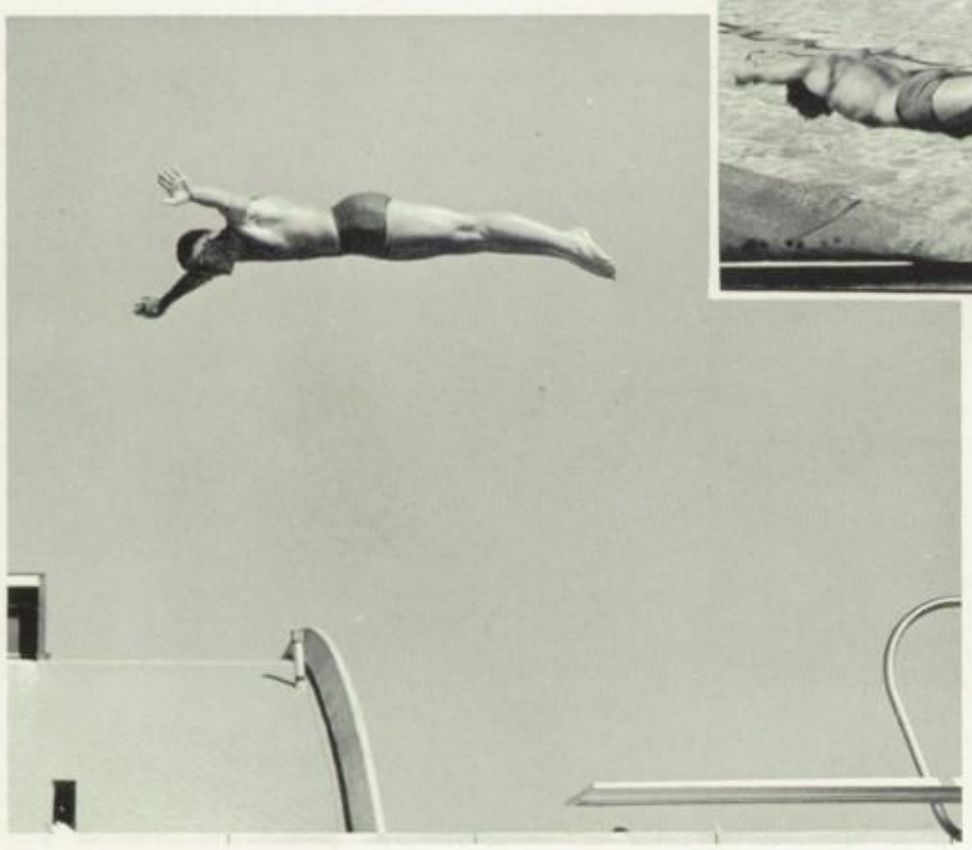
Diver Fred Stellhorn has been an important part of Western's successful swim team. Fred is best known for his efforts on the highboard. He has a large "repertoire" of dives that he gives at league matches.

After school hours, Fred practices diving at the Sammy Lee Swim School, where he has received valuable coaching from the owner.

In the photo to the left, Fred is at the height of a backward dive.



Varsity swimmers hit the water in a practice start for their next league match. Western's team has added many names to the honor list of county swimmers. The Pioneer squad also boasts record-holders in its group.



In this photo, Fred Stellhorn demonstrates a simple front dive in a "pike" position.

In the course of the season, Fred receives competition from Larry Andreasen, another fine Western diver.

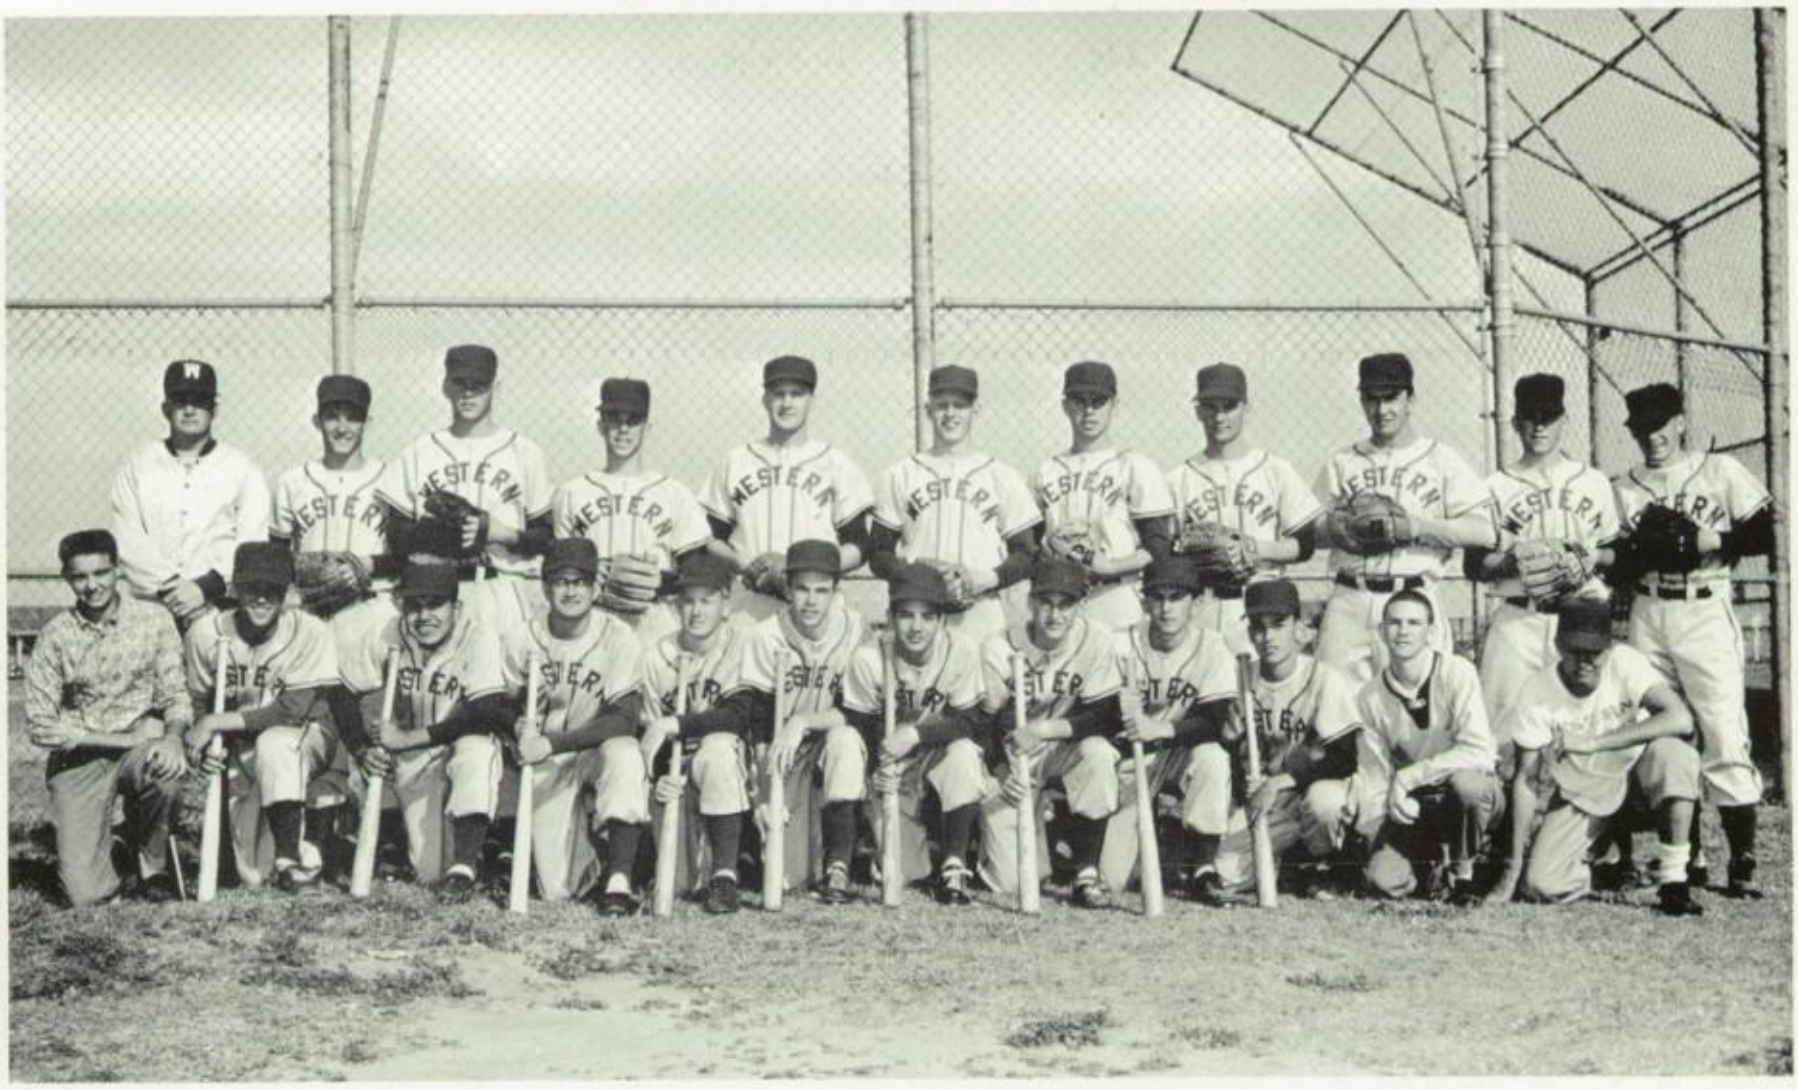
SUMMARY

The 1961 Junior Varsity baseball team entered its pre-season activities in the same, old style . . . victorious. This year, the team was coached by the able Mr. Dave Hernandez who, in seasons past, has produced outstanding ball teams.

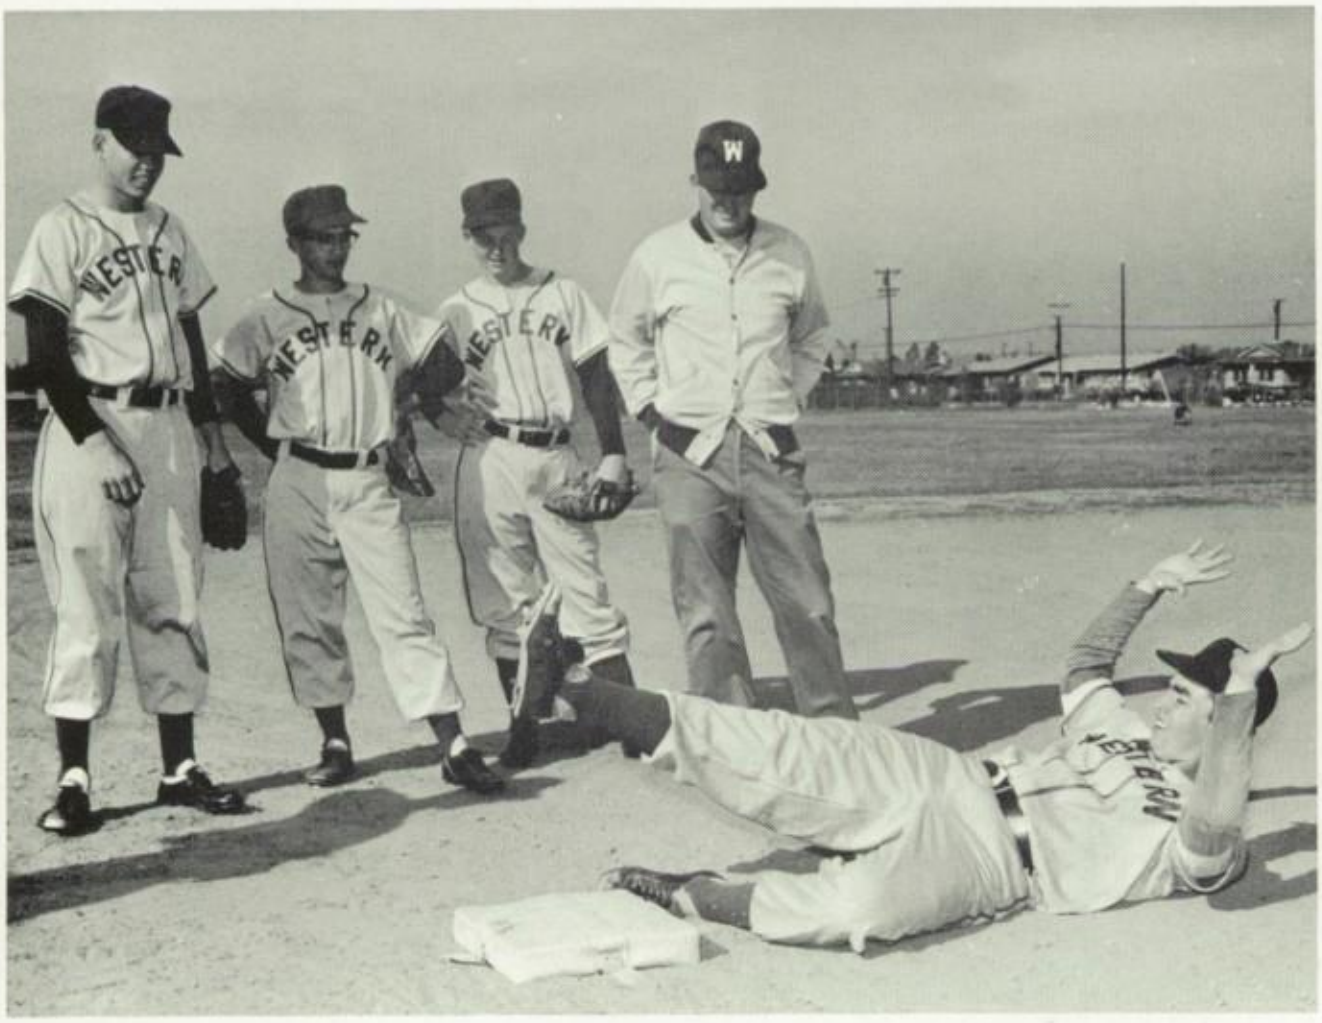
The strength of the '61 squad was in its pitching. Larry Stewart did most of the hurling for the Pioneers.

Team effort and spirit were the keynotes of the '61 season.

SOPHOMORE BASEBALL



Team members are (left to right), *BOTTOM ROW:* Chuck Oliver, Mike Bernal, Louie Rosales, Steve Heely, Tom Mills, Tom Ford, Greg Franco, Hal Mitchell, Lou Harrison, LeRoy Ahia, Mike Friedman, Frank Bateman; *TOP ROW:* Coach Hartman, Ron Russell, Jack Simmers, Mickey Gilbert, Dale Denny, Bill Elmore, Allan Dunn, Larry Hedlund, Mike Shea, Jim Kitchen, Dave Gunn.



The Sophomore baseball squad began a successful 1961 season. With the competent coaching of Mr. George Hartman, plus young talent from Brookhurst and Orangeview Junior Highs, the team entered league competition in strong fashion.

In the photo to the left, Mike Shea executes a slice under the critical eye of Coach Hartman and eager learners.

Lupe Flores, and Coach Humrighouse.

Pictured are Head Track Coach Mr. Coffman, (center) and his able assistants, Mr. Cochrane (left) and Mr. Humrighouse.
Each man fully carried out his responsibility in producing a fine, outstanding track team. In the off-season, Mr. Coffman serves as Cross Country Coach while Mr. Cochrane and Mr. Humrighouse work with football.

Sprinter Kit Mack advanced to the Varsity ranks last year and, since that time, has been as consistent performer.

This year, Kit was a key figure in the Pioneer race for the Sunset crown. His performance in the 100 and 221 yard dashes resulted in many league victories for Western.

During the fall, Mack played defensive halfback on the Pioneer football team.

THE SEASON

The Pioneer Cross Country Team had, considering the number of unexperienced runners, a very successful season.

Captain Ray Monastesse set a school record for 1.8 mile course, covering the distance in eight minutes and fifty seconds. Al Hernandez was chosen as the most valuable team member and was a consistent performer throughout the season. Gene Winship, most improved runner, pulled up from a "walker" to a third man position.

In addition to tennis, Ron also participated in Varsity football.

In the photo at the right, Tennis Coach Bill Walker shows Ronnie Mills how to properly grip a racket. Mr. Walker is a veteran tennis instructor at Western and has produced some fine teams.

Number two man on the Varsity squad was Russell Young. A very fine performer, Russ is an underclassman and carries Western's tennis hopes for next year. In the photo, Russ demonstrates a "Pancho Gonzales" serve, rigidly following the form of the maestro himself.

Athlete of the Year

One of the highest tributes that can be paid to a student of Western High School is that of "Athlete of the Year." For an athlete to receive such an award, he must not only possess excellent physical abilities, but he must also have gained the respect and admiration of fellow teammates and coaches alike. With this annual tradition, we introduce to the student body of Western High School the 1961 Athlete of the Year — DENNIS PAINTER.

Dennis was born on March 16, 1943, in Compton, California. Attending Western since the 7th grade, Dennis has always been active in athletic and student body affairs. During his freshman year, he participated in Junior Varsity football, basketball, and baseball. At this time Western was still a junior high school with only freshmen and sophomores. Dennis was chosen as Best Freshman Athlete of the Year that term.

During the schoolyear of 1958-1959, Dennis, playing from the quarterback position led the Pioneers in their first year of Freeway League competition. Dennis was the only Sophomore to be honored as Player of the Week. He also served as a member of the Varsity basketball team, winning high point and free throw honors. In the same year, Dennis paced our Varsity baseball team from the pitchers mound.

During Dennis' junior year, he again played Varsity football, Varsity basketball, and Varsity baseball. Once more he won Best Free Throw Percentage in Basketball and Most Valuable Player award in baseball. Dennis was named to All-County and All-League teams for his efforts as Pioneer quarterback.

This year Dennis was busier than ever as Captain and Most Valuable Player of the Varsity football team, one of the "starting five" in basketball, and as pitcher for our baseball team. In the Chino and Santa Ana Valley Tournaments, Dennis was named to both All-Tournament Teams. Besides being named to All-Sunset League and All-County Teams as quarterback, Dennis was named Prep Player of the week by the Los Angeles Times.

In Dennis' four years as an athlete at Western High, he has accumulated 12 varsity letters and, in doing so, holds a record for the most Varsity letters held by a student at Western.

Dennis also has an outstanding scholastic record. He has proven himself by carrying a college preparatory course and maintaining an A average through his four years of high school. Dennis's other interests lie in Y.F.C., the Pioneer Annual Advertising Staff, and California Scholarship Federation.

Competitive sports, the loyalty of team play, and the development of a sound body are characteristics of our American way of life. Here at Western, it was a great and glorious part of our schoolyear. As our school year closes, so ends the high school career of Dennis Painter — one who played such a great part in making 1961 a school year to remember.

Long after the Seniors of 1961 have graduated, they will remember Dennis, a fellow classmate, as an outstanding leader a great athlete, and of foremost importance, a wonderful and sincere individual.

Thank you, Dennis Painter, for being what you are and for your part in making Western the outstanding school that it is today. Congratulations and may you continue to make prominent gains in your athletic endeavors throughout life.

electrical energy for the needs of motion

From Kitty Hawk to Cape Canaveral in just 57 years. Quite a success story, and it isn't over yet. Some day soon man will conquer space itself—and when he does, electricity will play an essential role. For electricity is one of the main powers of progress.

That's where Delco-Remy research comes in. If continued progress is to be made in motion, consistent improvement must be made in the complex systems which create, transform, and control electricity. From Delco-Remy research will come such improved systems, reliable systems, to meet the needs of motion tomorrow.

AND SO WE SAY . . .

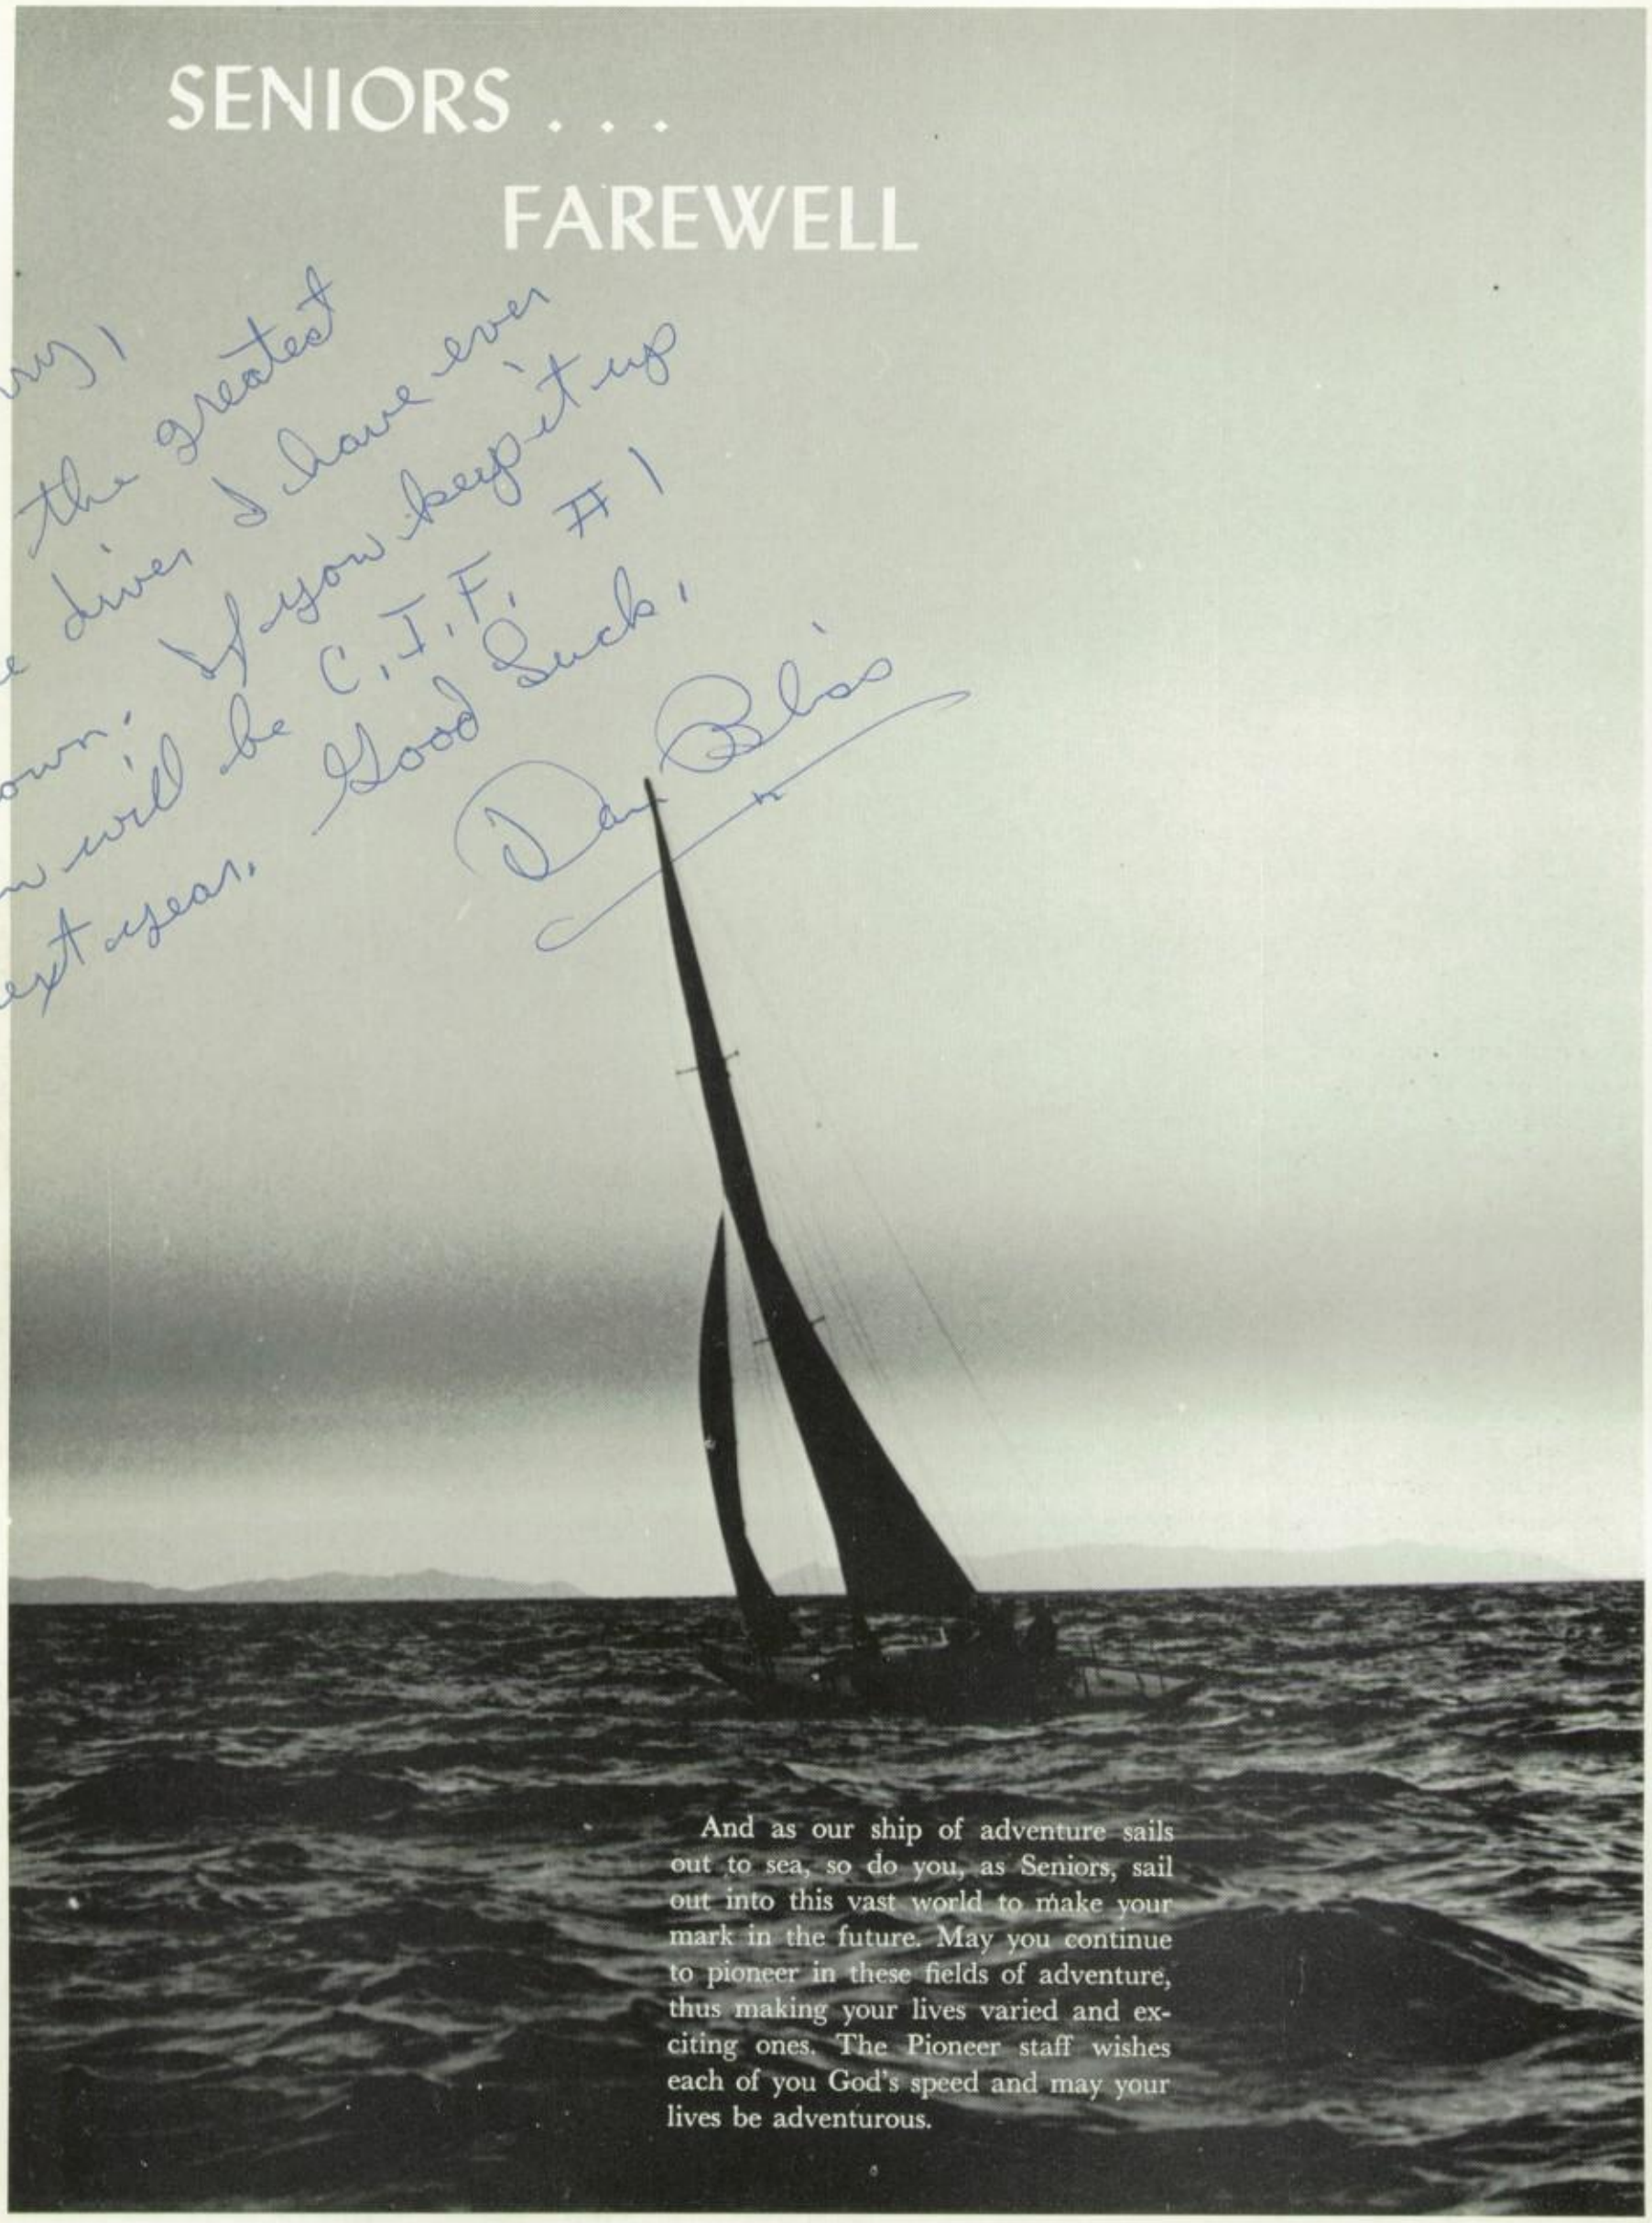
SENIORS . . .

FAREWELL

Sorry!

To the greatest little diver I have ever known: If you keep it up you will be C.I.F. #1 next year. Good Luck!

Dan Bliss



And as our ship of adventure sails out to sea, so do you, as Seniors, sail out into this vast world to make your mark in the future. May you continue to pioneer in these fields of adventure, thus making your lives varied and exciting ones. The Pioneer staff wishes each of you God's speed and may your lives be adventurous.

ACKNOWLEDGMENTS

This letter of appreciation is directed toward you, our Pioneer student body. We are grateful for your diligent support throughout the year.

We on the Pioneer staff have been faced with many new problems and important decisions to make and, somehow or other, we've conquered every obstacle. Now, you hold our efforts in your hands. Our work has consisted of busy hours of planning page layouts, writing and correcting copy, typing, and finally sending the completed data to American Yearbook Company.

Nearly every person on our staff was new in yearbook production, but this newness inspired each of us to work extra hard to produce the type of book we so earnestly desired.

Each staff member deserves a heartfelt thanks for his hard work and interest in the 1961 Pioneer, but my special thanks must go to a few in particular.

First of all, to Judi Anderson, '61 Business Manager, goes my deepest thanks for many long hours of work. Judi and her able staff of Dennis Painter, Bill Bozarth, and Sandy Hanson, contacted business establishments and secured 26 pages of advertising to help with the cost of this year's book. Several important features of this year's Pioneer would not have been possible if it had not been for the labors and efforts of our Advertising Staff.

Secondly, thanks goes to my two assistant editors, Sue Juratsch and Pam Randall. Their constant drive was the force behind our staff. Under their leadership, I'm sure we will continue to have a prize winning annual in the years to come.

New to the staff was our Adviser, Mr. Donald Kleinsmith. On behalf of my entire staff, I would like to thank him for his help and expert leadership which made possible the completion of our book.

No book is complete without pictures. We relied on the Photography of our professional photographer, Mr. Lynn Hawkins; our staff photographers, Cliff Olson, Torben Larson, and Mark Chernoff; and photography by the Anaheim Bulletin Staff members, Mr. Len Handel and Mr. Mike Robinson.

Space does not permit acknowledgment of each staff member; but to the entire staff, I would not only like to thank you for your work, but for the willingness and cooperation with which it was done.

And now that I have expressed my thanks, I will say good-bye for now.
